Julie Reich, Executive Director	973-635-4565 <a href="mailto:chathamseiorcenter.org">chathamseiorcenter.org</a>
---------------------------------	------------------------------------------------------------------------------------

## EMERGENCY PREPAREDNESS

### BE PREPARED FOR AN EMERGENCY:

1. Prepare a Family Communications Plan.
2. Practice your emergency plan once a month.
3. Designate a meeting place away from your home for family members to meet in an emergency event.
4. Prepare an emergency kit or a "Go Bag."

### THE NEXT TIME DISASTER STRIKES, YOU MAY NOT HAVE MUCH TIME TO ACT.

Whether the emergency is a power outage, winter storm, fire, hurricane, flood, or thunderstorm, **the best thing to do is to prepare now.** Include special provisions for children and for disabled family members. Remember, your children may be in school during the emergency. Once you have created a plan, be sure to post it in your home so that all family members can refer to it easily. Practice your emergency plan once a month by holding emergency drills.

The following list will help you get started with a "Go Bag." For a complete list refer to the Chatham Borough Emergency Preparedness Guide on the Borough website [chathamborough.org](http://chathamborough.org).

- ☐ Flashlights & extra batteries
- ☐ Battery operated or crank radio
- ☐ Bottled water (1 gallon per day per person for 3 days)
- ☐ Sanitation supplies (bleach, etc.)
- ☐ Canned goods and non-perishable items (3 days supply)
- ☐ Manual can opener
- ☐ Candles and matches in waterproof container
- ☐ First Aid Kit and Prescription Medications
- ☐ Extra pet supplies
- ☐ Special items for infants, elderly, or disabled family members.

### ALERT CHATHAM BOROUGH NOTIFICATION SYSTEM

Receive alerts about emergencies and other important community notifications by signing up for Chatham Borough's emergency alert system, AlertChathamBorough. This system provides you with critical information, including severe weather forecasts, road closures, and evacuations of buildings affecting Chatham Borough. Time-sensitive notifications can be sent to your home phone, cellular phone, and to your email address. Please visit [chathamborough.org](http://chathamborough.org) to sign up.

Register residents having special needs with emergency responders at [www13.state.nj.us/SpecialNeeds/](http://www13.state.nj.us/SpecialNeeds/)

### POWER OUTAGES

To report a power outage please call JCP&L at 1-888-LIGHTSS or visit [firstenergycorp.com](http://firstenergycorp.com), [facebook.com/JCP&L](https://facebook.com/JCP&L), or sign up for text messaging.

## EMERGENCY INFORMATION

### IMPORTANT STEPS TO FOLLOW IN AN EMERGENCY:

- Watch for messages from AlertChathamBorough.
- Turn on your radio or television.
- Listen to Emergency Broadcast Stations for information about this area:  
Radio stations WMTR 1250AM, WDHA 105.5 FM, Madison 1630AM,  
Community Bulletin Board Channel 21 Cablevision, and Channel 32 Verizon FiOS
- Get emergency notifications from AlertChathamBorough.
- Follow instructions provided by the Office of Emergency Management.

## CHATHAM BOROUGH FIRE SAFETY BUREAU

### What is Carbon Monoxide?

Carbon monoxide, or CO, is a colorless, tasteless, and odorless gas. Because it can't be seen, tasted or smelled, its toxic fumes can kill you before you are even aware that it is present in your home. At lower levels of exposure, CO causes mild effects that are often mistaken for the flu, with symptoms that include headaches, dizziness, disorientation, nausea and fatigue. The effects of CO exposure can vary greatly from person to person depending on age, overall health, and the concentration and length of exposure.

### Carbon Monoxide Detectors

#### If your CO alarm sounds, call 911 and evacuate the building.

Install at least one UL (Underwriters Laboratories) rated carbon monoxide detector with an audible warning signal outside of each sleeping area of your home. As of 2017, carbon monoxide detectors are also required in all public buildings. Prior to this change, they were only required in residential uses. Carbon monoxide alarms measure levels of CO over time and are designed to sound an alarm before an average healthy adult would experience symptoms. It's possible that you may not be experiencing symptoms when you hear the alarm, but this does not mean that CO is not present. If you have any questions call the Chatham Borough Fire Safety Bureau at (973) 635-0674 x217.

### Smoke Detectors

At a minimum, smoke detectors should be located on every floor level and not more than 10 feet from each bedroom. For additional protection, smoke detectors should be placed inside of each sleeping area. If smoke detectors were installed 7-10 years ago, consider replacing them. Don't forget to practice at home fire drills and choose a designated meeting place outside of the home for family evacuations.

#### Test your smoke and carbon monoxide detectors and change the batteries regularly.

If you have smoke detectors that are powered by a 9-volt battery only, it is strongly suggested that they be replaced by smoke detectors that have a 10 year lithium battery for the following reasons:

1. You will not need to change the battery every 6 months.
2. The battery can not be removed from the detector.
3. Many smoke detectors are over 7 years old so it should be replaced anyway.
4. If you were to sell your residence you will no longer pass your certificate of continued occupancy (CCO) inspection with a 9-volt battery type detector.

7. BOROUGH HALL - 54 FAIRMOUNT AVENUE

## NEW SOLID WASTE COLLECTION PROGRAM STARTS JANUARY 1

### NEW “Pay by Cart Size” Household Garbage Program:

Borough residents are **no longer required to use green plastic bags** for household solid waste collection. They have been replaced with Borough provided garbage carts.

Carts are provided by the Borough at no cost to residents, however, your total solid waste bill is dependent on the size of the cart you choose. If you would like to change your cart size, contact the Department of Public Works at: (973) 635-5242.

Garbage pickup is now once per week depending on the area you live in town:

- If you live North of Main Street, you are in the **Orange** zone. Your new collection day is **Tuesday**; your new bulk day is the **first Friday** of the month.
- If you live between Main Street and Watchung, you are in the **Yellow** zone. Your new collection day is Wednesday; your new bulk day is the **second Friday** of the month.
- If you live South of Watchung, you are in the **Blue** zone. Your new collection day is **Thursday**; your new bulk day is the **third Friday** of the month.

### BULK PICKUP

The Borough provides one bulk pickup per month for each collection route. This is intended for disposal of bulky household items, furniture, and other oversized items that do not fit into carts. It may include up to **four** items and **one** 30-gallon container of rubbish (shoes, baskets, flower pots, etc.).

Pickup **has changed with the new program**. Please refer to the calendar for scheduled dates.

#### ACCEPTABLE ITEMS:

Bulky items such as household appliances (must have Freon removed), furniture, carpeting, luggage, toys, and other oversized items too big to fit in a garbage bag. Rubbish is defined as items such as shoes, baskets, flower pots, etc.

#### UNACCEPTABLE MATERIALS WILL BE LEFT ON CURB:

This includes: construction debris, windows, wood pieces, batteries, cement block, concrete, tires, medical waste, hazardous waste, or recyclable items.

**If your household solid waste or bulk pickup  
has not been collected  
please contact Suburban Disposal at 973-227-7020  
or by email at [notifysdi@gmail.com](mailto:notifysdi@gmail.com)**

Once per week collection in 3 Colored Zones: Orange, Yellow, and Blue.

Orange Zone	Yellow Zone	Blue Zone
North of Main Street	Between Main and Watchung	South of Watchung
Weekly collection day: <b>Tuesday</b>	Weekly collection day: <b>Wednesday</b>	Weekly collection day: <b>Thursday</b>
Bulk Pickup: <b>First Friday</b> of the month	Bulk Pickup: <b>Second Friday</b> of the month	Bulk Pickup: <b>Third Friday</b> of the month

If you live on Main or Watchung, your collection day will correspond with the zone of the side of the street where your home is located.

If you have a special occasion that generates additional garbage which cannot fit into your cart, you may purchase up to 3 ‘Extra Garbage Bag’ stickers that will allow you to place garbage bags next to your cart for pickup. Stickers can be purchased online and picked up at Borough Hall. Stickers **are not** meant to supplement your weekly pickup. If you do not have enough room, you should upsize your cart.

**ANNUAL CURB & SIDEWALK PROGRAM** Chatham Borough officials review the condition of all curbs and sidewalks in the Borough on an annual basis. A listing of curbs and sidewalks requiring repair or replacement is completed before the month of May. Residents can submit a Sidewalk Repair Request Form, available on the Borough website, to the Engineer's Administrative Assistant for consideration, or Report a Concern button on the Borough website.

Place cart at the curb between  
5 pm the day before and 6 am the day of collection

Missed garbage pickup - Call Suburban Disposal  
973-227-7020 or [notifyfysdi@gmail.com](mailto:notifyfysdi@gmail.com)

Missed recycling pickup - Call MCMUA  
973-659-3490 or [recycling@mcmua.com](mailto:recycling@mcmua.com)

## MAKE SAFETY A PRIORITY

- ◆ The speed limit in Chatham Borough is 25 mph on all local roads, unless marked otherwise.
- ◆ STOP FOR PEDESTRIANS IN A CROSSWALK.
- ◆ DO NOT TEXT WHILE DRIVING.
- ◆ Lock your car and take the key fob with you; do not leave valuables in plain sight.

### SCHOOL CROSSING GUARDS NEEDED

The Borough of Chatham is always interested in hiring both full time and substitute School Crossing Guards for the school year. A paid 20-hour training program is required. If interested please call Kellie Ann McGuire, CBPD at 973-701-6821.

### NOISE

Borough Ordinances regulate the hours of outside construction and the use of power equipment by residents, contractors, and landscapers. Power equipment may only be used outdoors during the following hours:

Weekdays: 8:00 am to 7:00 pm

Saturday: 9:00 am to 6:00 pm

Sunday: 9:00 am to 6:00 pm (by property occupants only)

### PRIVATE ALARM SYSTEMS

Private alarm systems require an annual permit issued by the Police Department. A fee is required and due during the month of January. The applicant and the system must be in compliance with the Borough alarm system regulations.

### SNOW REMOVAL

Snow must be removed from public sidewalks within the first 12 hours of daylight from the time the storm ends and must be cleared to a 4 foot width. Please do not plow or place snow onto roadways. Remove ice on sidewalks with salt, and to prevent slip and falls, apply sawdust, sand or ashes within the first 12 hours of daylight after the formation of the ice.

Cars are not allowed to be parked on any street whenever snow has accumulated on the street where snow removal operations will be required. Parking prohibitions remain in effect after the snow has ceased until the streets have been plowed sufficiently and parking will not interfere with the normal flow of traffic. Any vehicle in violation will be towed at the owner's expense.

#### In an emergency, every second counts.

- ◆ Please remove any snow and ice from around a fire hydrant
- ◆ Clear a wide enough perimeter to walk around it (around 3 feet)
- ◆ Clear a path from the hydrant to the street

## PARKING INFORMATION

### TRAIN STATION ANNUAL PARKING PERMIT

Parking permits for Railroad Station North & South are available to Chatham Borough residents ONLY at a yearly cost of **\$600.00**. There is a waiting list for Annual Parking Permits. When moving out of town, return your parking permit to receive a pro-rated refund.

For inquiries about a Train Station Annual Parking Permit, call Cheri Morris at 973-635-0674 ext. 214. For more details on parking in Chatham Borough, please visit the parking webpage at [chathamborough.org](http://chathamborough.org).

### TRAIN STATION METERED PARKING (Numbered Spots)

Metered parking is available to the public for **\$7.00** per day, motorcycles & scooters **\$4.00** per day. Hours of enforcement are 5:00 am to 4:00 pm Monday through Friday, except legal holidays.

Metered spaces are numbered and payment can be conveniently made at the kiosk on the station platform using a credit card, debit card, the Park Mobile app or cash. When using cash, exact change should be used. A receipt will be issued as proof of payment.

Register at [parkmobile.com](http://parkmobile.com) to pay for your parking space through Park Mobile, an app accessible through your smart phone or computer.

### DAILY PARKING PERMIT

After 9:00 am Monday through Friday, you may obtain a daily parking permit to park in vacant permit spaces (not numbered). Daily Parking Permits can be purchased for **\$7.00** in the Finance Office room 205 at Borough Hall, 54 Fairmount Avenue.

### RESIDENT PARKING PERMIT PROGRAM

If you live on a street that has time limit parking, you may apply for a permit to park in front of your house longer than the time limits. (This DOES NOT include overnight parking). If you wish to apply for a resident permit, pick up an application at Borough Hall, Room 205, or download the application at [chathamborough.org](http://chathamborough.org).

### CAREGIVER PARKING PERMIT PROGRAM

For the purpose of this program, a caregiver is a paid helper who regularly looks after a child or sick/elderly/disabled person. See instructions for Resident Parking Permit Program.

### PARKING ENFORCEMENT UNIT INFORMATION

Please call the Parking Enforcement office at 973-635-8000 ext. 252 or email [parking@chathamdpd.org](mailto:parking@chathamdpd.org).

### OVERNIGHT PARKING

There is NO PARKING on any street (except S. Passaic Ave. Permit Parking) between the hours of 2:00 am and 6:00 am, or as posted.

## CODE ENFORCEMENT CONSTRUCTION & ZONING

### CONSTRUCTION PERMITS

Most renovation and alteration projects require a permit. The Madison Building Department handles the processing and issuance of building and construction permits for Chatham Borough, and schedules all subcode inspections to ensure that all work has been performed in accordance with the Uniform Construction Code as adopted by the State of New Jersey. It may be beneficial to contact the Madison Building Department at 973-593-3064 before you plan a construction project.

### DEMOLITION PERMITS

The dismantling, destruction, or removal of any structure, or part of a structure, requires official zoning approval. Contact the Madison Building & Construction Department if you are interested in razing a structure. Once zoning approval has been obtained a demolition permit will be required. The Madison Building & Construction Department handles the processing and issuance of demolition permits for Chatham Borough, and can be reached at 973-593-3064.

### ZONING AND LAND USE MATTERS

Inquiries concerning zoning and land disturbance matters, such as reviews for signage, fences, driveways, patios, sheds, building setbacks, lot requirements are handled by the Chatham Borough Engineer & Zoning office. Guidance will be given on whether formal zoning approval is required or a zoning permit is needed for a project.

### HOME IMPROVEMENT CONTRACTORS

Before retaining a home improvement contractor, make sure they are registered with the New Jersey Division of Consumer Affairs to perform work in the state. You can perform a search on the New Jersey Division of Consumer Affairs website for license verification of a contractor.

Home improvement contractors are individuals and companies involved in repairing, renovating, modernizing, installing, replacing, improving, restoring, painting, constructing, remodeling, moving, or demolishing residential or noncommercial properties.

Home improvement contractors include those who work on residential driveways, sidewalks, swimming pools, terraces, patios, additions, landscaping, fences, porches, windows, doors, cabinets, kitchens, bathrooms, garages, finished basements, basement waterproofing, insulation installation, roofing and siding, wall-to-wall carpeting, or attached or inlaid floor coverings, and more.

It is in your best interest to ensure the contractor is licensed and receives the proper permits.

## VOTER REGISTRATION & ELECTION DAY INFORMATION

### VOTER REGISTRATION

Individuals are eligible to register to vote if they are a citizen of the United States and will be 18 years of age on or before the next election.

New voters and residents who have moved to Chatham Borough from another state or from another county in New Jersey will need to file a voter registration application with the Morris County Board of Elections.

Registered voters who have moved within Morris County must also update their voter registration with a change of address.

Voter Registration applications are available at the Clerk's office or may be printed from the Borough website. Online Voter Registration is available at <https://voter.svrs.nj.gov/register>.

### ELECTION DAY INFORMATION

Primary Election day is **Tuesday, June 04, 2024**

General Election day is **Tuesday, November 05, 2024**

Polls open at 6:00 am and close at 8:00 pm

### POLLING LOCATIONS IN CHATHAM BOROUGH

Registered voters are assigned a specific Election District and polling place according to their street address. Registered voters can find their Election District and polling place printed on the face of the Sample Ballot mailed the week before election day.

### MAIL-IN BALLOTS (formerly known as Absentee Ballots)

A voter may apply to vote by a Mail-In Ballot for any election. Vote by Mail-In Ballot applications are available at the Chatham Borough Clerk's Office and the Borough website. Once the Vote by Mail-In Ballot application is received and approved by the Morris County Board of Elections, the election ballot with instructions for completion will be mailed to the voter at the address indicated on the application. The voter will not be allowed to vote at a polling location.

### BECOMING A POLL WORKER FOR ELECTIONS

Earn extra income while performing an important civic function. Morris County election officials hire registered voters to work at the polls.

Poll workers earn **\$300** for each election day worked. Interested individuals should submit an application with the Morris County Board of Elections and complete a 2-hour training. Classes are held in May and October at many locations throughout the county prior to election days.

Individuals interested in working the polls should apply online at [morriselections.org](http://morriselections.org).

## PLANNING BOARD

The Chatham Borough Planning Board functions under the authority of the Municipal Land Use Law of New Jersey, N.J.S.A. 40:55 D and Borough Code, Chapter 165 Land Development.

Planning Board approval is required for applications that involve:

- Site plans
- Subdivisions
- Conditional use applications

The Planning Board is empowered to review and approve "C" variances in conjunction with development applications. The Planning Board is also responsible for reviewing and making recommendations on land use zoning ordinances of the Borough and reexamining and updating the Borough's Master Plan.

The Chatham Borough Planning Board meets twice monthly on the first and third Wednesday of every month at 7:30 pm in Borough Hall.

The Planning Board is responsible for:

- Holding hearings and deciding upon land subdivisions and certain site plan applications.
- Reviewing and updating the Land Development Regulations.
- Coordination with the Board of Adjustment, the Construction Department and other Borough agencies.
- Maintaining and regularly updating the Master Plan.
- Reviewing and updating the Borough zoning map from time to time.
- Reviewing State Development Plans and participating in the Cross-Acceptance process.
- Reviewing plans to assure compliance with the State Affordable Housing Laws.

### MASTER PLAN

A Master Plan is a community-wide land use policy guide adopted by the Planning Board. This Plan sets the vision and blueprint for the community's growth, revitalization, and preservation. It is not a law or a mandate. It does, however, contain the goals that inform zoning and public decision-making around development, preservation, and infrastructure. Importantly, a Master Plan Reexamination also acknowledges the major challenges relating to land use policy and development, as well as significant changes in policies at a variety of scales, including changes in state and county policy directions. The Borough's last Master Plan Reexamination and Update Report was adopted by the Planning Board in 2016 and is available on the Borough website.

## ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment's powers are very specific and different from the Planning Board. The Zoning Board of Adjustment is often called a "quasi-judicial" body and its principal duties are to hear and decide on requests for interpretations of the Borough's zoning and land development ordinances. Like the Planning Board, the Chatham Borough Zoning Board of Adjustment functions under the authority of the Municipal Land Use Law of New Jersey, N.J.S.A. 40:55 D and Borough Code, Chapter 165 Land Development.

The Chatham Borough Zoning Board of Adjustment meets monthly on the fourth Wednesday of every month at 7:30 pm in Borough Hall.

Variance requests that are considered by the Zoning Board of Adjustment Include:

### A & B Variances

An "A" variance application is filed when an applicant believes that the Borough's Zoning Officer has erred in denying a request for a permit based on the Borough's land development ordinances. The Zoning Board is also responsible for interpretations of the zoning ordinance and the zoning map on questions related to whether or not a specific use is permitted. This type of variance is called a "B" variance.

### C Variance

The most common type of variance heard by the Zoning Board of Adjustment is a variance from the bulk and dimensional requirements of the ordinance, referred to as a "C" variance or "bulk" variance. This is a commonly requested variance in town, generally associated with construction of single-family dwellings, accessory structures and additions. When building or expanding, a "C" variance may be needed because existing constraints of the property, size, area, shape or topographic conditions may prevent compliance with the zoning regulations for that property.

### D Variance

Where an applicant is seeking a use that is not permitted by the zoning ordinance, the applicant is required to obtain a "D" variance or "use" variance. There are six different kinds of "D" variances. An applicant seeking a "D" variance must show the property is particularly suitable for the proposed use and that the variance can be granted without causing substantial detriment to the public good and won't substantially impair the intent and purpose of the municipal zoning ordinance and municipal Master Plan.

## ENVIRONMENTAL COMMISSION

The Borough of Chatham Environmental Commission is an advisory board created to protect our natural resources. The Commission gathers information, communicates with other Borough agencies and our residents, and encourages our community to appreciate and enjoy our environment. The Commission also recommends to the Mayor and Council ways that Chatham Borough can become more environmentally sustainable.

The Environmental Commission is concerned with clean air and water, environmental quality, waste management, and land and wildlife preservation. Recent Commission projects include enhancements to our parks and trails, the suspension of non-organic pesticide usage on municipal properties, especially playing fields, and encouragement of reusable bag usage in support of the implementation of the New Jersey state disposable plastic use ordinance.

Environmental Commission meetings are held the second Wednesday of each month at 7:30 pm in Borough Hall. The annual Trail Cleanup is held every April. Residents are welcomed to participate in all Commission events and attend monthly meetings in Room 301, Upper Level at Borough Hall, except as otherwise indicated in the calendar. The Commission does not meet in August.

## GREEN TEAM

### BECOME A MEMBER OF THE "GREEN TEAM"!

The "Green Team" is a sub-committee of the Environmental Commission that plans, coordinates, and prepares the Chatham Borough submission to the Sustainable Jersey municipal sustainability certification program. It leads efforts to educate our community on how to become more sustainable. Chatham Borough is working with our surrounding communities to create a mutual Climate Action Plan and Program to reduce our carbon footprint.

Sustainable Jersey is a statewide program whereby we all learn how to include protection of our environment in our everyday lives and activities. Learn what you can do to help by visiting the Sustainable Jersey website at [www.sustainablejersey.com](http://www.sustainablejersey.com).

## SUSTAINABLE CHATHAM

### METHODS FOR REDUCING HOUSEHOLD SOLID WASTE

- Reuse an old item before buying a new one.
- Borrow items you only need for a single use occasion.
- Purchase products that use less packaging.
- Make sure not to throw away items that can be recycled.

### IMPORTANCE OF REDUCING HOUSEHOLD SOLID WASTE

- Reduces the amount of waste going into landfills.
- Reduces your carbon footprint.
- Reduces greenhouse gas emissions (GHG's).
- Helps the Borough of Chatham achieve Sustainable Jersey certification.
- For more information on how to reduce solid waste, please visit [www.epa.gov/recycle](http://www.epa.gov/recycle)

## SUSTAINABLE JERSEY

All groups / organizations can support the Green Team & Environmental Commission by sharing activities towards Silver Recertification in May of 2024.

For more information visit [www.sustainablejersey.com](http://www.sustainablejersey.com) or email [environmentalcommission@chathamborough.org](mailto:environmentalcommission@chathamborough.org).

## CONSERVE AND PROTECT OUR WATER SUPPLY

**Watering lawns is permitted only from 6:00 am - 9:00 am and 6:00 pm - 9:00 pm, and restricted to alternate days.**

Usage is allowed on even-numbered days for residents or businesses whose dwelling or building number is even, and on odd-numbered days for residents or businesses whose dwelling or building number is odd. There shall be no outdoor water usage on the 31st day of any month. Please call 973-635-0674 x 214 for any additional water restrictions that may be in place.

### Help save water by:

- ◇ Checking leaky faucets and have them repaired.
- ◇ Don't run the water faucet while brushing your teeth or shaving.
- ◇ Run full loads of dishes and laundry.

# June 2024

## COME TO THE LIBRARY

Library of the Chathams provides resources that support valuable opportunities to build knowledge, culture and social experiences that enrich lives. All residents and those working, or attending school in Chatham Borough and Township, are entitled to free borrowing privileges.

## ACCESS

The catalog of all MAIN public libraries

Downloadable eMagazines, eBooks & eAudiobooks

Medical library information (CLIP) from Atlantic Health

Language, music, art, finance and other tech tools

Stock reports

*BookEnds*, our bi-monthly e-newsletter

[www.Chathamlibrary.org](http://www.Chathamlibrary.org) or download our free app

## ATTEND

Programs for adults, teens, children & babies

ESL – English as a Second Language classes

Computer programs

Library Book Club

Community group meetings

## ORDER

Library delivery of books, movies & music from other libraries

Home delivery of library materials for the homebound, disabled & visually-impaired

## TAKE AWAY

Books, audiobooks, movies, magazines

Museum passes, music

Musical instruments, telescopes, tents

## JOIN THE FRIENDS

Friends of the Library is a 501(c)3 non-profit organization run by volunteers. The Friends are Chatham residents who are library advocates. Friends of the Library host the Annual Book Sale, maintain community paperback bookstalls, provide home reader help and raise thousands of dollars annually for the library.

## VIEW

Magazines, newspapers and books

Movies through video streaming

Artwork by local artists

## USE

Computers, copier, scanner, fax & mobile printing

Local History Resource Center

Meeting rooms

Notary services

## ENJOY

Playing chess on our beautiful chess table

Mahjong with others who love the game

Putting puzzles together

## HOURS

Monday –Thursday: 9:30 am – 9 pm

Friday: 9:30 am – 6 pm

Saturday: 9:30 am - 5 pm

Sunday (except summer): 2 pm – 5 pm

## PARKING

Parking is available at the Memorial Park entrance with access from North Passaic Avenue. Additional parking is available at Post Office Plaza, Center Street West and Center Street East parking lots.

## SHADE TREE COMMISSION

The Chatham Borough Shade Tree Commission was established in 1909. The Commission's responsibilities include planting and maintaining trees along Borough streets, public rights-of-way, and in Borough parks and open spaces. Street trees along Fairmount Avenue, North Passaic Avenue and Watchung Avenue are maintained by Morris County. Through NJ Statute Title 40 and Borough Code, Chapter 63, the Shade Tree Commission has full and exclusive control over the regulation, planting, and care of shade and ornamental trees. The Borough has lost many trees due to storms over the past several years, and it is the goal of the Commission to replace trees to maintain the town's shade tree canopy. The curbside grass on Borough streets is public property, and the Commission has full authority to plant trees in these locations. Arborists consult with the Commission to choose the proper species for each location.

The Chatham Borough Shade Tree Commission meets monthly on the fourth Thursday of every month at 7:30 pm in Borough Hall.

### HOW TO REQUEST THE PLANTING OF A STREET TREE

The Shade Tree Commission is always looking for opportunities to plant new trees to replace those that have been lost to age, disease or stormy weather over the years, and budgets funds each year to plant new trees along our streets and in our parks. A limited number of trees are available each year on a first come, first serve basis and are planted during the fall season. Residents requesting a street tree planting should submit a Tree Service Request form to the Shade Tree Commission, or through Report a Concern both available on the Borough website at [chathamborough.org](http://chathamborough.org).

### HOW TO REQUEST THE EVALUATION OF A STREET TREE

Residents who have concerns about a street tree or a tree in one of our parks should submit a Tree Service Request form to the Shade Tree Commission for evaluation. The form is available on the Borough website at [chathamborough.org](http://chathamborough.org).

### EMERGENCY TREE SITUATIONS

Snow, wind, lightning storms, or other emergency situations may arise and require the immediate removal of a street tree. During normal business hours, call the Public Works Department at 973-635-5242; otherwise call the Police Department at 973-635-8000.

### TREE PROTECTION & PRESERVATION ORDINANCE

Chatham Borough adopted a Tree Protection & Preservation Ordinance that requires property owners to acquire a permit (\$25.00 application fee) before removing any tree on private property. A Tree Removal Application, available on the Borough website at [chathamborough.org](http://chathamborough.org), is filed with the Office of the Borough Clerk. The Borough's Enforcement Official will visit the location and inspect the land and trees in order to determine the effect of the destruction or removal upon drainage, soil stability and growth and development of the remaining trees on the land and adjacent property. The Enforcement Officer will conditionally grant or deny the request based on the inspection. The homeowner may be required to replace the tree, or make a donation, based on the Enforcement Officer's findings.

## HISTORIC PRESERVATION COMMISSION

The purpose of the Historic Preservation Commission is to encourage the continuation of the Borough's grace and charm through preservation of its historic character.

The Chatham Borough Historic Preservation Commission meets monthly on the third Tuesday of every month at 7:30 pm in Borough Hall.

Chatham was initially settled in 1715 and throughout the years Main Street has grown rich with historic buildings and architecture. In 1973, the portion of Main Street extending from the Borough's eastern boundary west to Lafayette Avenue was named a Historic District on the New Jersey Register of Historic Places. Any building project involving new construction, exterior changes, or demolition to any existing structure, or part of a structure, within the Historic District, must file an application and appear before the Commission. The Historic Preservation Commission then prepares a Review Report for the Zoning Board of Adjustment and/or Planning Board with its findings and recommendations. Persons considering applications are encouraged to request informal informational meetings with the Commission prior to filing an application.

In 1994, the Historic Preservation Commission published a Design Guidelines Manual to assist property owners, retailers and developers in planning their projects and to help in projects of a seemingly minor nature. In 2021 an updated version of the Design Guidelines was published. The document answers questions regarding the history and architecture of a number of Chatham's buildings and streets. Guidelines are available in the Chatham Borough's Clerk's Office, in the reference section of the Library of the Chathams, and on the Borough website.

## SENIOR CENTER OF THE CHATHAMS

The Senior Center of the Chathams has been committed to providing enrichment, support, information, and referral services to older adults for over 30 years. The Center's mission is to protect and preserve the independence and dignity of a growing, aging population. Our programs and services, which improve both physical and mental well-being, enable older individuals to continue to be valuable assets to the community while they age in place and remain active, engaged, and connected.

The Senior Center of the Chathams is located at 58 Meyersville Road (lower level), Chatham. Hours are Mondays through Fridays from 9 am - 3 pm. For more information about the Senior Center, its programs and services, call 973.635.4565 or visit [www.chathamseiorcenter.org](http://www.chathamseiorcenter.org).

## CURBSIDE RECYCLING - RECYCLING DEPOT - HAZARDOUS WASTE RECYCLING

### “ALL-IN-ONE” SINGLE-STREAM RECYCLING

“All-in-one” single-stream recycling allows aluminum & steel cans, glass bottles/jars, plastic bottles/containers coded #1, #2 & #5, paper, junk-mail, newspaper and cardboard mixed together for recycling. Bottles/cans & boxes must be empty and free of food residue. Please flatten all cardboard boxes (remove foam and plastic packaging, which is not acceptable in the curbside recycling program).

**The MCMUA does not accept plastic bags.** These plastic bags jam the sorting mechanisms at the recycling facility.

### CURBSIDE RECYCLING PICK UP EVERY FRIDAY (except holidays)

Recycling containers should be placed at the curb before 6:00 am on the day of collection. The Morris County Municipal Utilities Authority (MCMUA) collects recyclable materials in Chatham Borough at curbside. The MCMUA recommends using 32-gallon containers with lids and handles for “all-in-one” single stream recycling collection. Containers must not exceed 50 lb. in weight. If necessary, use multiple containers for recyclables. **Please refer to Page 25 in this Borough Calendar for more information on what items can and cannot be recycled.**

Call the MCMUA at 973-659-3490 if your curbside recycling collection was not picked up.

### CHATHAM BOROUGH RECYCLING DEPOT

The Borough’s recycling depot, located at 90 Summit Avenue, is open to Borough residents every Saturday from 9:00 am to 12:00 pm.

#### THE RECYCLING DEPOT ACCEPTS:

- Large rigid plastics: lawn furniture, toys, plastic containers & buckets
- Textiles: clothing, blankets, towels, drapes, curtains
- Electronic equipment: TV’s, monitors, fax/copier machines, PC’s & keyboards, stereos, telecommunication equipment, VCRs.

#### THE RECYCLING DEPOT DOES NOT ACCEPT:

- Air Conditioners
- Batteries or cell phones
- Styrofoam containers and packing peanuts. See calendar page 25 for #6 Expanded Polystyrene recycling details.
- Mirrors, light bulbs, cookware or bakeware, flower pots or trays
- Hazardous waste items
- Hard cover books. Visit [newlegacybooks.com](http://newlegacybooks.com) for drop off locations

Questions? Please call the Public Works Department at 973-635-5242

### MORRIS COUNTY MUA

Morris County Municipal Utilities Authority (MCMUA) has two transfer stations located in both eastern and western Morris County to manage the solid waste disposal needs for all of Morris County residents and businesses. Fees may apply.

#### Mount Olive Transfer Station

168 Gold Mine Road, Flanders, NJ 07836 Tel: 973-347-8106 | Fax: 973-347-3784

**Hours:** Mon - Fri 7:30 am - 3:00 pm; Sat 7:30 am - 11:00 am; closed Sundays

#### Parsippany-Troy Hills Transfer Station

1100 Edwards Road, Parsippany, NJ 07054 Tel: 973-808-9651 | Fax: 973-808-9649

**Hours:** Mon - Fri 7:00 am - 3:00 pm; Sat 7:30 am - 11:00 am; closed Sundays

### HOUSEHOLD HAZARDOUS WASTE PROGRAM

- Aerosol cans
- Fire extinguishers
- Propane cylinders (BBQ-sized cost \$5 per cylinder at MCMUA facility)
- Car batteries and rechargeable batteries (button cell & lithium)
- Florescent lightbulbs, including CFLs containing mercury
- Thermometers, thermostats containing mercury
- Pesticides, herbicides, fertilizers
- Paint thinners and removers
- Oil-based paints, stains, varnishes and lacquers
- Pool & photographic chemicals, including chlorine
- Polish & nail polish remover (acetone)
- Gasoline, diesel fuel, kerosene (must be in certified fuel cans)
- Motor oil and automotive fluids (brake, transmission, steering and anti-freeze)
- Non-latex driveway sealants or roof tar

Do NOT dump hazardous materials or waste into the sink or toilet.

The Household Hazardous Waste (HHW) facility, located at the Mount Olive Transfer Station, is available for Morris County residents by appointment only and is free of charge for most items. Materials will not be accepted in containers larger than 5 gallons. All materials must be in clearly marked containers identifying contents. MCMUA fees to dispose of certain items are payable BY CHECK ONLY. MCMUA also holds HHW Drop Off Events at various locations throughout the year.

Visit [mcmua.com](http://mcmua.com) or call the MCMUA's HHW Facility 973-829-8006 for more information

### SAFELY DISPOSE OF UNWANTED PRESCRIPTION DRUGS

24/7 drop boxes to dispose of unwanted prescription drugs are located at :

**Madison Police Station**

62 Kings Road, Madison NJ

**Chatham Township Police Department**

401 Southern Blvd. Chatham NJ

County Wide Locations: <https://sheriff.morriscountynj.gov/community/drug/>

## 2024 MULCH SITE & FALL LEAF COLLECTION SCHEDULE

### 2024 MULCH SITE RULES & HOURS OF OPERATION

BOROUGH RESIDENTS ARE REQUIRED TO OBTAIN A PERMIT TO ACCESS THE MULCH SITE. No one will be admitted without a valid permit. Permits can be obtained from the DPW at the mulch site.

**Starting March 6th**, the mulch site, located on Duchamp Place behind the Milton Avenue School, will be open:

**Wednesday** 1:00 pm to 4:00 pm  
**Saturday** 12:00 pm to 4:00 pm

**October 21st through December 6th**, the mulch site will be open:

**Monday - Friday** 8:00 am to 4:00 pm (closed for lunch 11:45 am to 1:00 pm).  
**Saturday** 12:00 pm to 4:00 pm

#### Thanksgiving Holiday Hours:

Wednesday, November 27th open 8:00 am - 12:00 pm  
 Thursday, November 28th and Friday, November 29th - CLOSED

#### Last day the mulch site will be open for the season:

Saturday, December 7th, open 12:00 pm - 4:00 pm

**Resident access after the season** may be arranged by calling the DPW office at 973-635-5242.

NOTE: Duchamp Pl. and Elmwood Ave are one-way streets heading south on school days and cannot be used to access the mulch site. **Please watch for children.**

### RESIDENTS MAY DISPOSE OF THE FOLLOWING YARD MATERIALS AT THE MULCH SITE:

LEAVES, HEDGE CLIPPINGS, and TREE LIMBS UP TO 4" IN DIAMETER. GRASS may be disposed of but must be separated from all other mulched items. Plastic bags or containers must be removed from the site.

### MATERIALS NOT ACCEPTED AT THE MULCH SITE:

Stumps, tree limbs in excess of 4" in diameter, household refuse, concrete, building materials, metal furniture, fence materials, landscape ties, and lumber.

The NJDEP requires that only acceptable yard materials may be disposed of at the mulch site. Violation of NJDEP regulations may result in the closing of the mulch site.

### WOOD CHIPS and PROCESSED MULCH

WOOD CHIPS and PROCESSED MULCH are available free of charge to residents. Residents who have a need for large quantities may have it delivered for a small fee of either \$30 or \$50 per load. Deliveries are made on Fridays. Call the DPW office 973-635-5242 to schedule delivery.

### FALL LEAF COLLECTION SCHEDULE

The Department of Public Works will be collecting leaves at the curb WEEKLY throughout the Borough using the vacuum method from October 21st through December 6th. Residents may also bring their leaves to the mulch site during regular hours of operation.

Please do not place leaves at the curb after Sunday night, December 1st. The final curbside collection of loose leaves will take place the week of Monday, December 2nd. Once the vacuum crews have passed your house they will not return for the season.

### LEAF COLLECTION PROGRAM GUIDELINES

- **RAKE LEAVES TO YOUR PROPERTY LINE. PLEASE DO NOT RAKE LEAVES INTO THE STREET.** Leaves should be placed at the curb or street edge not more than 5 feet from the roadway.
- **NO DIRT, ROCKS, BRANCHES OR TREE LIMBS.** These materials pose serious hazards to employees and can cause costly damage to leaf collection equipment.
- **KEEP LEAVES AWAY FROM CULVERTS AND STORM DRAINS.** The DEP has instituted Municipal Stormwater Regulations. Part of the regulations mandate that the Borough enforce the ordinance prohibiting the placement of yard waste and leaves in the road or within ten (10) feet of any storm sewer inlet. Please take notice: Tickets will be issued on first occurrences.
- **COLLECTION OF PAPER LEAF BAGS: DECEMBER 10<sup>TH</sup>, 17<sup>TH</sup> and the 24<sup>TH</sup>**  
 On the first 3 Tuesdays of December: 10<sup>th</sup>, and 17<sup>th</sup>, and 24<sup>th</sup> the Borough will pick up paper leaf bags that are placed at curbside. Residents are responsible for purchasing biodegradable paper bags.

### FOR RESIDENTS HIRING LANDSCAPE COMPANIES

Residents hiring landscape companies should instruct their landscaper to place leaves at the street edge or curb in accordance with the leaf collection schedule and program guidelines.

Residents' landscapers may also make arrangements to bring leaves collected from **Borough residential properties** to the mulch site on weekdays, free of charge. No landscapers are permitted on Saturdays. Landscapers must contact the Department of Public Works at 973-635-5242 to sign up for this free program.

Mulch Area closed for lunch 11:45 am - 1 pm weekdays ONLY

# CHATHAM RECYCLES

## GUIDELINES

**EVERYTHING SHOULD BE CLEAN AND DRY**  
Use a covered recycling container

## ACCEPTABLE

What **CAN** go into my curbside container

### YES GLASS BOTTLES and JARS

- All sizes, shapes, and colors
- Rinse before recycling

### YES PLASTIC CONTAINERS 1, 2 and 5 ONLY

- Plastic containers: 8 oz yogurt cup or larger
- Plastic lids over 3"

### YES MIXED PAPER and CARDBOARD

- Paper
- Magazines
- Junk mail
- Newspapers
- Catalogs

### YES METAL

- Aluminum and steel cans and lids
- Loose metal jar lids
- Rinsed aluminum & steel cans
- Clean foil

### YES CLEAN FOOD CONTAINERS

- Milk and juice cartons
- Frozen food boxes
- Ice cream containers

## UNACCEPTABLE

What **CANNOT** go into my curbside container

### NO PLASTIC BAGS

### NO SHREDDED PAPER

### NO PLASTICS NUMBERED 3, 4, 6 and 7

### NO STYROFOAM

Including styrofoam egg cartons and food containers

**DO NOT place  
recyclables in  
PLASTIC BAGS!**

Prepared by the Borough of Chatham Environmental Commission. 2022.

Improper recycling can cause entire recycling loads to be rejected and cost taxpayer money!

Please be mindful:

- No plastic bags or styrofoam in single-stream curbside pick-up
- Recycling bin should have a cover to keep items dry
- When in doubt, throw it out!

Be a **Better Recycler** with the **Recycle Coach™ app**

You get:

- A personalised collection schedule
- Custom pick-up reminders
- A 'What Goes Where?' search tool

Get it on Google play | Available on the App Store

Search "Recycle Coach"

## STYROFOAM RECYCLING

Chatham Borough residents can now dispose of Styrofoam materials at the Madison Recycling Center.

The Borough of Madison Recycling Center, located on Station Road in Madison, is open Tuesdays and Fridays from 8:00 a.m. to 12:00 p.m. and Saturdays from 8:00 a.m. to 2:30 p.m.

## CHATHAM BOROUGH BOARD OF HEALTH

The Borough of Chatham Board of Health was established by ordinance in 1898 at the time of the Borough's incorporation as a municipality. The Board is comprised of seven members who are responsible for ensuring the development and implementation of public health policy and programs. In New Jersey, every municipality is required to be served by a local health department that meets the requirements of state public health laws and regulations.

The Board of Health provides essential environmental and public health services that protect and promote individual and community health. Board members fulfill their responsibilities as public officials by addressing the ever increasing barrage of public health issues such as Covid-19, influenza, Lyme disease, and emerging pathogens, tobacco control, public health preparedness, and environmental matters. The board is an active member of the New Jersey Local Boards of Health Association.

The Board of Health meetings are held on the 2nd Thursday of each month at 7:00 p.m. in Borough Hall. The public is invited to attend the meetings.

### PUBLIC HEALTH SERVICES

Chatham Borough contracts public health services through the Westfield Regional Health Department. Under the mandates of the New Jersey Public Health Practice Standards and the ordinances and policies of the Chatham Borough Board of Health, public health is protected through sanitary inspections, enforcement activities, disease prevention, health promotion, and education programs scheduled throughout the year.

For information concerning food establishment or food vendor licensing, contact the Clerk's Office at 973-635-0674 ext. 210. To report a concern or complaint about a public health matter, please contact the Board of Health Secretary, Melanie Politi, at [mpoliti@chathamborough.org](mailto:mpoliti@chathamborough.org). Requests for Animal Control assistance are processed through Chatham Borough Police Dispatch at (973) 635-8000.

For more information concerning public health programs and services that are provided to Chatham Borough residents, please visit [westfieldnj.gov/health](http://westfieldnj.gov/health).

### PROJECT COMMUNITY PRIDE of the MADISON YMCA

A youth counseling and support program for children, teens and families in Chatham, Florham Park, and Madison who are struggling with social, emotional, and/or behavioral issues. Counseling and support services are provided in the schools and at the program's office by licensed therapists. For more information about our program or to make a referral, please call 973-845-6480.

## VOLUNTEER OPPORTUNITIES

**Chatham Borough is a town of volunteers.** Volunteers help keep us safe, they protect our homes, they assist us with health emergencies, they provide sports opportunities for our children, they work on municipal boards, commissions and committees, and they sponsor a wide range of events. Most of the volunteer opportunities require no special skills, and, when special knowledge is required, training is available. The

time commitment is as much or as little as you'd like.

**Volunteers help make Chatham Borough the special community it is.**

### BOROUGH GOVERNMENT

Volunteers are essential to the operation of Borough government. The Mayor and Council Members are volunteers and receive no compensation. Volunteers also serve on the Board of Health, Environmental Commission, Historic Preservation Commission, Planning Board, Shade Tree Commission, Zoning Board of Adjustment, and the many advisory committees.

Volunteer applications are available on the Borough website or can be obtained at the Borough Clerk's office.

### VOLUNTEER FIRE DEPARTMENT

The Chatham Borough Volunteer Fire Department is accepting applications for new volunteers. To volunteer with the Chatham Borough Volunteer Fire Department, either as an adult member (18 years or older) or a junior member (16-18 years old) contact the Fire Chief at 973-635-9090.

Training is provided through the Morris County Police & Fire Training Academy. When completed, members are qualified for certification by the New Jersey Division of Fire Safety in Firefighter I.

### CHATHAM EMERGENCY SQUAD

The Chatham Emergency Squad (CES) is accepting applications for new volunteers. CES members ride one-day or one-night shift per week. Prior training isn't necessary to apply.

Learn about joining our team of volunteers and the critical service we provide to the community at [chathamemergencysquad.org/volunteer/](http://chathamemergencysquad.org/volunteer/).

### MUNICIPAL ALLIANCE COMMITTEE OF THE CHATHAMS (MACC)

A community committee devoted to educating and building awareness of the dangers of alcohol, tobacco, and other drugs, and to promoting healthy alternative activities for all segments of the Chatham population, including children, adults, and senior citizens. More information about the Municipal Alliance Committee of the Chathams joint Borough of Chatham and Township of Chatham Committee can be found by emailing the MACC coordinator at [chathamacc@gmail.com](mailto:chathamacc@gmail.com) or [chathamacc.org](http://chathamacc.org).

## SOLUTIONS TO STORMWATER POLLUTION

### *EASY THINGS YOU CAN DO EVERY DAY TO PROTECT OUR WATER*

#### LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES

- Do not apply fertilizers if heavy rain is predicted.
- Do a soil test to see if you need a fertilizer. Look into alternatives for pesticides.
- When using fertilizers and pesticides, follow the instructions on the label for correct application.
- Properly store or discard any unused portions.
- Use organic products where feasible, in the long-term, organics will save you money.
- Consider whether doing nothing to your lawn is an option.

#### PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Do not pour hazardous products down a storm drain because storm drains are directly connected to local water bodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label.
- Use natural or less toxic alternatives when possible.
- Contact the Morris County Municipal Utilities Authority to dispose of hazardous waste products. See page 21.

#### PICK UP AFTER YOUR PET AND DISPOSE OF PET WASTE PROPERLY

Some storm drain inlets are marked with messages that the storm drain is connected to local water bodies which can be the source of drinking water for other municipalities. Never discard pet waste in a storm drain. Be a good neighbor and properly dispose of pet waste. Use newspaper, bags, or pooper scoopers to pickup waste. Dispose of the wrapped pet waste in the trash or, if unwrapped, in a toilet. Violators may be fined.

#### DON'T FEED WILDLIFE

- Feeding of wildlife, such as ducks, geese, deer, and squirrels is prohibited in public areas.

#### DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- Follow all yard waste collection rules.
- Whenever possible, compost leaves, grass clippings and small twigs.
- Grass clippings left on your lawn acts as a natural fertilizer as long as you cut your grass to a 2.5—3 inch height.

#### PLEASE, DO NOT LITTER

- Please use trash and recycling receptacles and do your part to recycle!
- Please keep lids on all recycling and trash receptacles to prevent litter.
- Participate in community cleanups.

#### HEALTHY HABITS FOR CLEANER WATER

Storm water pollution is one of New Jersey's greatest threats to clean water.

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, grass clippings, pet waste: you name it and it ends up in our water.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of storm water. It all adds up to cleaner water, and it saves the high cost of cleaning up once it becomes polluted.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to storm water pollution. Breaking these rules can result in fines or other penalties.

## CHATHAM BOROUGH GOVERNMENT

The Borough form of Government under which Chatham operates provides for a mayor and six council members. The mayor serves a 4-year term and each council member serves a 3-year term. All elections are partisan. The mayor and council members are not paid for their service and do not receive stipends, health or other benefits.

**Mayor and Council meetings are open to the public. Regular meetings are generally held on the second and fourth Monday of each month (July, August, and September - 2<sup>nd</sup> Monday only) at 7:30 p.m. in Borough Hall, 54 Fairmount Avenue, and live streamed both on Facebook and Zoom.**

### MAYOR

The mayor maintains order, executes state laws and local ordinances, makes personnel appointments with the advice and consent of the Borough Council, and recommends measures to ensure the welfare of the Borough. The mayor presides at Borough Council meetings but has no vote except in case of a tie. He or she may veto measures, but the Council may override the veto by a two-thirds vote. By right of office the mayor serves as a member of all Borough committees.

### BOROUGH COUNCIL

The duties of the six-member Borough Council include passing local ordinances and resolutions, awarding contracts for public works, approving appointments made by the mayor, making appointments as provided by law, setting the budget and tax levy, and handling bond issues.

The six Council Committees are:

**Budget and Finance:** Financial oversight and planning; preparation of the budget; review of fees.

**Public Works Planning/Community Services:** Public Works services, infrastructure planning, solid waste, recycling services, community outreach, and Borough-sponsored programs, activities, and events.

**Personnel:** Salary and benefits for all personnel; administrative personnel matters.

**Public Safety and Emergency Services:** Oversight of police, coordination with Emergency Squad and Fire Department.

**Shared Services and 3rd Party Agreements:** Evaluation and management of shared service arrangements; service on shared services management committees: Joint Court, Madison Chatham Joint Meeting, Construction Office, Department of Health and DPW equipment sharing.

**Long Range Traffic & Pedestrian Safety Planning:** Planning of street traffic, Sidewalk, and parking practices and improvements.

## ECONOMIC DEVELOPMENT ADVISORY COMMITTEE

The Chatham Economic Development Advisory Committee (EDAC) is an advisory committee to the Mayor and Chatham Borough Council created by Borough Resolution 19-317, passed by the Council on November 11, 2019. The EDAC seeks to develop a START UP / MOVE UP CHATHAM website in coordination with the Morris County Economic Development Corporation. EDAC has worked diligently to support and encourage existing Chatham Borough businesses through a number of outreach campaigns to help “Keep Chatham Thriving”.

### MISSION STATEMENT

The EDAC is responsible for attracting, creating, retaining and fostering economic development and investment strategies for Chatham Borough consistent with the character of the community, promoting the Borough as an attractive destination for technology and innovation economy businesses, and other establishments that will capitalize on our talented workforce and consumer base, and enhance diversity and sustainability through the development and implementation of a comprehensive Economic Development Plan.

### VISION STATEMENT

The Chatham Economic Development Advisory Committee envisions the Borough of Chatham as a thriving community that blends historic suburban charm with sustainable technological economic innovation opportunities that efficiently dedicate Borough and community resources to increase economic vitality for the benefit of the entire Chatham community: residents, schools, visitors, and the business community.
