

# Chatham Fire Department

Established 1898

## 2014 Annual Report

---

During 2014 the Chatham Volunteer Fire Department responded to 357 calls for assistance up 41 calls from 2013's total of 316, representing a 13% increase in calls. 31 of these calls represented a fire incidents, whether in Chatham Borough or in one of the mutual aid communities of Chatham Township, Green Village, Madison, Harding Township, Florham Park or New Providence, that the Chatham Borough Volunteer Fire Department assists on a regular basis. Of the 31 fire incidents 15 incidents that the Chatham Borough Fire Department responded to were Structure Fire incidents. Only 1 of these calls was in Chatham Borough. In addition, our department responded to 1 Overpressure Call, 33 Rescue Calls, 80 Hazardous Condition Calls, 21 Service Calls, 46 Good Intent Calls and 144 False Alarm Calls. False Alarm calls represented 40% of the total calls the Fire Department Responded to in 2014.

The members of the Chatham Borough Fire Department contributed a total of 4,581.5 man hours of service to the community in 2014. Incident responses accounted for 1,481.6 man hours, while the remaining 3,099.9 hours were logged for meetings, training, work details, fire prevention activities, driver training, fire duties and other activities that facilitate the programs sponsored by the department throughout the year. Compared to last year, total hours decreased by 687 hours or a 13% decline in hours volunteered.

The Chatham Borough Fire Department is comprised of six companies; Engine 1, Engine 2, Hose Co., Hook and Ladder Co, Rescue Co. No. 1 and Wardens Co. and each of the department's members are assigned to one of these six companies. During 2014 one of our Probationary members met all the criteria enabling him to be elevated to a full member of the Fire Department bringing the number of full members of the department to 53.

Two additional Probationary members joined the department during 2014. Both of these firefighters come to the Chatham Borough Fire Department fully trained and certified by the New Jersey Division of Fire Safety enabling them both to being firefighting activities as soon as the Borough Council voted on their resolution. One of these Probationary members, a Chatham native, went on after college to serve our nation's capital as firefighter for 25 years on the Washington, D.C. Fire Department and since retiring has relocated his family to Chatham and is now an active member of Chatham Borough Fire Department. The other comes to Chatham after serving many years as a volunteer with the Alpine Fire Department in Bergen County.

Monthly training drills comprised of two, two hour drills per month totaling 48 hours of structured in-house firefighting training in addition to a structured training evolution at the Morris County Police and Fire Academy and individual training firefighters undertook at the Morris County Police and Fire Academy and weekly driver training sessions.

Again this year, as in past years, the department's Fire Prevention activities included visits to the Fire House by each of the elementary schools and nursery schools where members of the department showed a Fire Prevention Video, answered questions and demonstrated equipment, in an effort to acquaint these young children with what a firefighter may look like if they were entering a building where a child may be trapped during a fire. Our Annual Fire Prevention – Open House was held on October 11, 2014. Although it rained that day we had many visitors, visit the Fire House that day.

The Fire Department Association held its Annual Fishing Derby at Kelley's Pond the last weekend in April with many Chatham youngsters taking part in this fun annual tradition. Members of the Fire Department assisted and our Color Guard took part in Chatham Borough's Memorial Day Celebration at Memorial Park. This past July 4<sup>th</sup> as in the past 60, years the Chatham Fire Department Association hosted the Chatham Independence Day Celebration which started at 8am with salutes fired to signify the start of the day's activities which included; The Fire Department Inspection by the Mayor and Council, the Fourth of July Parade and Fireworks topped off a wonderful day celebrating our Country's independence. December 24<sup>th</sup> the Department's North Pole Express, also known as Engine One, the department's 1962 American LaFrance Pumper, brought Santa Clause to Chatham's Reasoner Park where Santa greeted Chatham's young residents at the Gazebo.

In August the department underwent its most recent ISO (Insurance Service Office, Inc.) survey. These surveys are to be conducted every four (4) years now that some changes have taken place at ISO. Chatham Fire Department's last survey was in 1994 - - twenty years ago. In 1994 the Chatham Fire Department's ISO Classification was Class 4. Because of the results of this year's survey the Fire Department's Classification has been lowered to Class 3, Class 1 is the best score a fire department can score. Very few volunteer Fire Departments receive a Class 3 rating.

This new classification will improve the predictive value for insurers while benefiting both commercial and residential property owners in Chatham Borough. This year's evaluation was a collaborative effort between the Fire Department and the Department of Public Works-Water Utility Division.

ISO's Public Protection Classification (PPC) program evaluates communities according to a uniform set of criteria, incorporating nationally recognized standards developed by the National Fire Protection Association and the American Water Works Association. A community's PPC depends on Needed Fire Flows, Emergency Communications, Fire Department - Equipment, Staffing, training, operational considerations and community risk reduction, Water Supply – including inspection and flow testing of hydrants, alternative water supply operations and a careful evaluation of the amount of available water compared with the amount needed to suppress fires up to 3,500 gallons per minute.

In September of 2014 a vote was taken by the membership of the Chatham Borough Fire Department to decide how future Fire Chiefs would be selected. By a majority vote, the membership voted to elect their own Chief as they currently do for Deputy Chiefs. Due to the

fact that the membership voted to elect their Chief, the Borough Ordinance was changed to enable the election of the Fire Chief. On December 22, 2014 an election was held and Douglas G. Allan was elected Fire Chief of the Chatham Borough Fire Department.

In closing, the time, talent and energy of the members of the Chatham Borough Fire Department should be recognized and gratefully acknowledged for their selfless dedication to the Borough of Chatham.

Respectfully submitted.

Douglas G. Allan  
Chief of the Department  
Chatham Borough Fire Department

## Chatham Fire Department Annual Activity Summary

January 1 - December 31

Code	Type of Emergency Call	YTD 2014	YTD 2013	Diff	% Change
