Emergency Information

FOUR Important steps to follow if there is an emergency

1. **WATCH FOR MESSAGES FROM** AlertChathamBorough.
2. **TURN ON YOUR RADIO OR TELEVISION.**
Listen to Emergency Broadcast Station. For information about your area:
Radio Stations WMTR AM 1250, WDHA FM105.5 FM, Madison AM 1630
CABLEVISION and **FIOS** will provide information to its cable television subscribers. (Community Bulletin Board Channel 21 Cablevision, Channel 32 Verizon FIOS)
3. **Check Emergency Notices - www.chathamborough.org**
4. **Follow Instructions of Emergency Officials.**

PROJECT COMMUNITY PRIDE

Professional counseling service available to residents of Chatham Borough, Madison and Florham Park. This project serves families who are having trouble dealing with issues such as alcohol, drugs, sex, divorce and other related problems. CONFIDENTIAL - Call 973-593-8450 for further information regarding this program. Fax 973-593-8455.

SCHOOL CROSSING GUARDS NEEDED

The Borough of Chatham is looking for both full time and substitute School Crossing Guards for the upcoming school year. A paid 20 hour training program is required. If interested please call Mary Beth Ciccarone at 973-635-8000.

EMERGENCY PREPAREDNESS

BE PREPARED FOR AN EMERGENCY:

1. Create a Family Communications Plan.
2. Put your plan down on paper and practice your escape plan once a month.
3. Designate an emergency meeting place in case you are separated from family members.
4. Prepare an Emergency Kit / "Go Bag".

The next time disaster strikes, you may not have much time to act. Whether the emergency is a power outage, winter storm, fire, hurricane, flood or thunderstorm, the best thing to do is to prepare now. Speak with your family members and prepare a Family Communications Plan. Include special provisions for children and for any disabled family members. Remember, your children may be in school during the emergency. Once you have devised a plan, be sure to post it in your home so that all family members can refer to it easily. More importantly, practice your plan once a month by holding emergency escape drills. Test your smoke and carbon monoxide detectors and change the batteries regularly. Be sure to keep an Emergency Kit/"Go Bag" up to date.

The following list will help you get started. For a complete list refer to the Chatham Borough Emergency Preparedness Guide.

- Flashlights
- Battery operated or crank radio
- Extra batteries
- Bottled water (1 gallon per day per person for 3 days)
- Sanitation supplies (bleach, etc.)
- Canned goods and non-perishable items (3 days supply)
- Manual can opener
- Candles and matches in waterproof container
- First Aid Kit and Prescription Medications
- Extra pet supplies
- Cellular telephone (if available)
- Special items for infants, elderly, or disabled family members.

**Register disabled family members with the Office of Emergency Management
(William Nauta at 973-417-3042)**

MAKE SAFETY A PRIORITY

Stop for pedestrians in crosswalks; it's the law.

DO NOT use your cell phone or text while driving without a hands-free device. It's the law.

The speed limit in Chatham Borough is 25 mph unless otherwise posted.

Lock your car and take the key. Do not leave valuables in plain sight in your car.

OVERNIGHT PARKING

There is NO PARKING on any street between the hours of 2:00 am and 6:00 am.

NOISE

Residents/Contractors/Landscapers Hours - Power Equipment Use

Municipal Ordinances regulate the hours of outside construction and the use of power equipment. Power equipment may only be used outdoors during the following hours:

- Weekdays from 8 am to 7 pm
 - Saturdays from 9 am to 6 pm
 - Sundays from 9 am to 6 pm (by property occupants only)
- Borough Code, 208, Section 9 - 15

PRIVATE ALARM SYSTEMS

Private alarm systems require an annual permit issued by the Police Department. A fee is required and due during the month of January. The applicant and the system must be in compliance with the Borough alarm system regulations.

SNOW REMOVAL

Snow must be removed from public sidewalks within the first 12 hours of daylight from the time the storm ends. Sidewalks must be cleared to a 4 foot width. Do not plow or place snow onto roadways. Ice on sidewalks must be either removed or covered with salt, sawdust, sand or ashes within the first 12 hours of daylight after the formation of the ice.

No car may be parked on any street whenever snow has accumulated on the street to such depth that snow removal operations will be required. The parking prohibitions shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and parking will not interfere with the normal flow of traffic. Any vehicle in violation will be removed at owner's expense.

COMMUNITY VOLUNTEER OPPORTUNITIES

Chatham Borough is a town of volunteers. Volunteers help keep us safe, they protect our homes, they help us when we have a health emergency, they provide sports opportunities for our children, they work on municipal boards, commissions and committees, and they sponsor a wide range of events. Most of the volunteer opportunities require no special skills, and, when special knowledge is required, training is available. Volunteers help make Chatham Borough the special community it is.

MUNICIPAL GOVERNMENT

Volunteers are essential to the operation of the municipal government. The Mayor and Council Members are volunteers and receive no compensation. Volunteers also serve on the Planning Board, the Zoning Board of Adjustment, the Environmental Commission, the Historic Preservation Commission, the Shade Tree Commission, and the many advisory committees. If you are interested in volunteering, please complete the application that is on the website under "Volunteers" or pick up the form at the Clerk's Office.

CHATHAM EMERGENCY SQUAD

The Chatham Emergency Squad is accepting applications for new volunteers. CES members ride one-day or one-night shift per week. Prior training isn't necessary to apply. Call the membership hotline at 973-377-1131. **Help the Squad help you!**

COMMUNITY EMERGENCY RESPONSE TEAM

The Office of Emergency Management participates in the National Citizen Corps program. Chatham Borough has a trained **Community Emergency Response Team**. **CERT** members are trained to help themselves, their families and their community in time of emergency. Training includes first aid, fire suppression, search and rescue, and the Incident Command System. Anyone wishing more information in the **CERT** program or in becoming a **CERT** member should contact Bill Nauta, Emergency Management Coordinator at 973-417-3042.

FIRE DEPARTMENT

The Chatham Borough Fire Department is accepting applications for new volunteers. To volunteer with the Chatham Borough Fire Department, either as an adult member (18 years or older) or a junior member (16 - 18 years old) contact Steve Williams at 973-701-6807. Training is provided through the Morris County Police & Fire Training Academy. When completed, members are qualified for certification by the New Jersey Division of Fire Safety in Firefighter I.

CHATHAM BOROUGH BOARD OF HEALTH

boardofhealth@chathamborough.org

The Chatham Borough Board of Health is affiliated with the Madison Health Department and is able to offer a variety of services to our residents at the Madison Civic Center, 28 Walnut Street, Madison. 973-593-3079 x 1

These services include programs for children, adults and seniors.

CHILDREN

Monthly clinics for immunizations, exams and lead testing. No fee for uninsured. Most vaccines are available for insured children for a fee.

Clinic meets on the 2nd Tuesday of the month.

Call for appointment 973-593-3079 x 9

ADULTS/SENIORS

Immunizations - age appropriate. May be fee based or covered by Medicare. Call for additional information.

Adult cancer screening for males and females. Breast, prostate, cervical and colorectal screenings are scheduled twice per year. Adult screening for CMP blood analysis is available three times a year. Call for appointment. TB testing when necessary for employment or admission to facilities.

Free blood pressure clinic, 2nd Friday of every month from 8:30 - 9:30 am at the Madison Civic Center. Free blood pressure clinic, 1st Thursday of every month from 10 am - 12 pm at the Library of the Chathams.

Influenza immunizations are offered each fall in Chatham Borough. Dates are published in the Chatham Courier and Daily Record and noted on the Chatham Borough website and Community Bulletin Board (Cablevision Channel 21 & Verizon Channel 32).

Health information and referral services

Confer with nurses by phone 973-593-3079 x 6

**For more information call the
Madison Health Department 973-593-3079**

PARKING INFORMATION

TRAIN STATION ANNUAL PARKING PERMIT

Parking permits for Railroad Station North & South are available to Chatham Borough residents **ONLY** at a yearly cost of \$460.00. There is a waiting list for Annual Parking Permits. For issuance of the Train Station Annual Parking Permit call Cheri Morris at 973-635-0674 ext. 214. For more details on parking, please visit the parking link on the Chatham Borough website at www.chathamborough.org.

TRAIN STATION METERED PARKING

Metered parking is available to the public for \$5.50 per day. Metered spaces are numbered and exact change or Smart Card should be used in the meter on the Station Platform. A receipt will be issued as proof of payment. Hours of enforcement are 5 am to 4 pm Monday through Friday, except legal holidays. Park Mobile is an app to pay for your parking space through your smart phone or computer. Register at <http://www.parkmobile.com>

DAILY PARKING PERMIT

After 9 am Monday through Friday, you may obtain a daily parking permit to park in vacant permit spaces (not numbered). Daily Parking Permits can be purchased for \$5.50 in the Finance Office room 205 at Borough Hall, 54 Fairmount Avenue.

RESIDENTIAL PARKING PERMIT PROGRAM

If you live on a street that has time limit parking, you may apply for a permit to park in front of your house. (This **DOES NOT** include overnight parking). If you wish to apply for a resident permit you can pick up an application at Borough Hall in room 205, call 973-635-0674 ext. 214 or download the application at www.chathamborough.org.

CAREGIVER PARKING PERMIT PROGRAM

For the purpose of this program, a caregiver is a paid helper who regularly looks after a child or sick/elderly/disabled person. See instructions for Residential Parking Permit Program.

PARKING ENFORCEMENT UNIT INFORMATION

If you would like to leave a voice message for the Parking Enforcement Officers call 973-635-8000, Officer Bochniak ext. 256, Officer Sweetin ext. 252. To send an email use parking@chathampd.org.

SENIOR SERVICES CENTER OF THE CHATHAMS

chathamseiorcenter.org

Senior Services Center of the Chathams is a not-for-profit corporation that operates a senior center, senior bus service, and information and referral services for senior citizens and their families in Chatham Borough, Chatham Township, and Green Village.

The **senior center** is located in the rear of the Chatham Township Municipal Building, 58 Meyersville Road, Chatham Township.

Hours of operation:

**9 am to 3 pm, Monday through Friday.
Call 973-635-4565 or 973-635-4556.**

The **senior bus, Van Go**, operates Tuesday, Thursday and Friday from 9am to 2pm, and provides curb-to-curb service anywhere in the Chathams and Madison.

Reservations can be made one day in advance between the hours of 9 am and 2 pm by calling 973-635-4565. The bus takes monthly excursions to several malls in the area and to out-of-town medical appointments. Light shopping and prescription pickup is available for older homebound residents. Call the senior center for more detailed information and a senior bus schedule at 973-635-4565.

**BOROUGH OFFICE OF CODE ENFORCEMENT
CONSTRUCTION/FIRE SAFETY/ZONING**

Zoning Review/Enforcement 973-701-6834
Building Code/Inspections call 973-593-3064

HOME IMPROVEMENT CONTRACTORS must be registered with the Division of Consumer Affairs to work in the State of New Jersey.

BUILDING SAFETY IS NO ACCIDENT. The Borough Office of Code Enforcement reminds you to contact the Building Department before you plan a construction or land development project. The following is a partial listing of projects which usually require prior approval and a zoning and/or construction permit.

BUILDING OR INSTALLATION OF THE FOLLOWING ITEMS: Patio, deck or patio cover, fences, chimneys, garage, ventilation systems, heating or air conditioning supply or exhaust systems, swimming pool, tool or storage sheds.

ADDING, CHANGING OR ADDITIONS TO: Rooms including kitchen, bathrooms, den, etc., dormers, bay windows or other wall openings, water heater or any plumbing changes, furnaces or any changes to heating and gas systems, circuits or any changes to electrical systems, walls to a porch, changing a garage to a livable area.

DEMOLISHING: Any structure, or part of a structure, or any other changes that affect the structure of any building, including a tool shed. This policy is to ensure that demolished structures are removed from the tax rolls.

LAND USE & ZONING: Zoning review is a prerequisite to some construction permit applications. This office can assist you in your planning that addition or site work so you can better understand the zoning requirements in the Borough of Chatham. Using good zoning practices encourages appropriate land use, conserves the value of land and buildings, and gives reasonable consideration to the character of districts in the Borough. Land use also includes landscaping, drainage and grading, so if you're planning a project that involves land disturbance, call for permit information.

CONSTRUCTION AND DEMOLITION DEBRIS RECYCLING: Every applicant for a building permit and/or a demolition permit for a new construction or demolition project with a value greater than \$50,000.00, excluding single family and duplex residential, is required to file a Waste Reduction Recycling Plan at the beginning of the project and a Construction and Demolition Summary Report, with related receipts, at the end of the project. Forms must be submitted to the Municipal Recycling Coordinator and/or Recycling Enforcement Officer.

**CHATHAM BOROUGH
FIRE SAFETY BUREAU**

firesafety@chathamborough.org

What is Carbon Monoxide?

Carbon monoxide, or CO, is a colorless, tasteless and odorless gas. Because it can't be seen, tasted or smelled, its toxic fumes can kill you before you are even aware that it is present in your home. At lower levels of exposure, CO causes mild effects that are often mistaken for the flu, with symptoms that include headaches, dizziness, disorientation, nausea and fatigue. The effects of CO exposure can vary greatly from person to person depending on age, overall health, and the concentration and length of exposure.

Carbon Monoxide Detectors

Install at least one UL (Underwriters Laboratories) listed carbon monoxide detector with an audible warning signal outside of each sleeping area of your home. Carbon monoxide alarms measure levels of CO over time and are designed to sound an alarm before an average healthy adult would experience symptoms. It's possible that you may not be experiencing symptoms when you hear the alarm, but this does not mean that CO is not present. If you have any questions call the Chatham Borough Fire Safety Bureau at (973) 635-0674 x217.

If your alarm sounds, call 911 and evacuate the building.

Prepare for fires at home.

- At a minimum, smoke detectors should be located on every floor level and not more than 10 feet from each bedroom. For additional protection, smoke detectors should be placed inside of each sleeping area.
- If your smoke detectors were installed 7-10 years ago, you may need to consider replacing them.
- Have a designated meeting place outside of the home.
- Practice home fire drills.

For additional information contact the Chatham Borough Fire Safety Bureau at (973) 635-0674 x217.

**REMEMBER: CHANGE YOUR CLOCK, CHANGE YOUR BATTERY,
CHECK YOUR EMERGENCY SUPPLIES**

PLANNING BOARD

planningboard@chathamborough.org

Chatham Borough is approximately 2.4 square miles in size, and its population 9,000-plus, making it one of the more densely populated small towns in New Jersey.

The Planning Board, composed of nine volunteers, including the Mayor and one Council Member, oversees Chatham's land use, maintaining a balance between the needs of each property owner and the welfare of the town. All meetings are open to the public and anyone who wishes may attend. Input from the public is welcome. The Planning Board meets on the first and third Wednesday of each month at 7:30 pm in the Council Chambers at Borough Hall, 54 Fairmount Avenue.

Under a 1975 mandate by the New Jersey Municipal Land Use Law, the Board adopted a Master Plan, which must be re-examined every 10 years, and which gives the overall vision of the community, its character and its potential for improvement and growth. Similarly, the Board reviews and recommends updates to the Land Development Ordinance, which implements the Master Plan and under which the Board operates. Copies of the Master Plan are available at the Municipal Building.

Among the matters the Board deliberates are:

- Changes in State regulations on land use, including affordable housing;
- Applications for site-plan approval and subdivision of lots;
- Consideration of land disturbances, signage and storm water runoff.

One of the recurring duties of the Planning and Zoning Boards is hearing variance requests. A variance, simply stated, is a departure from the zoning law because of unusual circumstance. When such a request comes before either Board, it must decide how the variance affects the neighborhood, how it impacts the safety, health and welfare of the whole town and what its implications are for the future. Dealing fairly with variance requests is a major way the Boards help Chatham remain a town of good neighbors.

ZONING BOARD OF ADJUSTMENT

zoningboard@chathamborough.org

The Zoning Board of Adjustment was established pursuant to the Municipal Land Use Law. The Board consists of seven members and two alternate members (residents of the Borough) appointed by the Borough Council.

Powers and jurisdictions of the Board include the following:

- Exceptions and interpretations (hear and decide requests for interpretations of the Zoning Map and Land Development Ordinance).
- Variance of area or yard requirements.
- Variance of use regulations.
- Other powers as prescribed by law.
- Error or refusal (hear and decide appeals based on enforcement of LDO by officers of the municipality).

The Board meets on the 4th Wednesday of each month at 7:30 pm in the Council Chambers, at Borough Hall, 54 Fairmount Avenue.

HISTORIC PRESERVATION COMMISSION

historicpreservation@chathamborough.org

The purpose of the Historic Preservation Commission (HPC) is to encourage the continuation of the Borough's grace and charm through preservation of its historic character.

Chatham was initially settled in 1715 and, throughout the years, Main Street has grown rich with historic buildings and architecture. In 1973, the eastern portion of Main Street was named a Historic District on the New Jersey Register of Historic Places, extending from the Borough's eastern boundary to Lafayette Avenue. Any project involving demolition or removal of a historic site, new construction, or exterior changes to an existing structure within the district, must file an application and appear before the Commission. The HPC then prepares a Review Report for the Board of Adjustment and/or Planning Board with their findings and recommendations. Persons considering applications are encouraged to request informal informational meetings with the HPC prior to filing an application.

In 1994, the HPC published a Design Guidelines Manual to assist property owners, retailers and developers in planning their projects and to help in projects of a seemingly minor nature. It also answers questions regarding the history or architecture of a number of Chatham's buildings and streets. The booklet is available in Chatham Borough's Municipal Clerk's Office or in the reference section of the Library of the Chathams. The HPC meets on the third Tuesday of each month at 7:30 pm in the Middle-Level Conference Room of Borough Hall, 54 Fairmount Avenue.

THE BOROUGH OF CHATHAM ENVIRONMENTAL COMMISSION

environmental@chathamborough.org

The Borough of Chatham Environmental Commission is an advisory board created to protect our natural resources. The Commission gathers information, communicates with other Borough agencies and our residents, and encourages our community to appreciate and enjoy our environment. The Commission also recommends to the Mayor and Council ways that Chatham Borough can become more environmentally sustainable.

The Environmental Commission is concerned with clean air and water, environmental quality, waste management, and land and wildlife preservation. Recent Commission projects include maintenance and extension of walking trails along the Passaic River, arranging for single stream recycling, sponsoring construction of bat houses for mosquito control, achieving Silver Certification from Sustainable Jersey, publishing an Environmental Resources Inventory (ERI) and establishing a series of walks known as "Explore Chatham". In 2008, the Commission collaborated with Chatham Township to organize the Borough's first Green Fair and continues this tradition today through the annual Sustainability Fair.

Environmental Commission meetings are held the second Wednesday of each month at 8:00 pm at Borough Hall. The Annual Trail Cleanup is held every April. Residents are welcome to attend Commission meetings, participate in Commission projects and share with us their concerns about our environment. Visit the Chatham Borough Environmental Commission website at www.chathamborough.org/environmental.php.

PLEASE CONSERVE AND PROTECT OUR WATER SUPPLY

WATER CONSERVATION
RESTRICTIONS REMAIN IN EFFECT

Mandatory odd-even lawn watering by house number.
Lawn watering permitted only between 6 am - 9 am and 6 pm - 9 pm

Please call 973-635-0674 x 214 for current restrictions.

How can you save water?

- ◇ Check leaky faucets and have them repaired.
- ◇ Shut the water off while brushing your teeth or shaving.
- ◇ Run full loads of dishes and laundry.
- ◇ Limit amounts of chemical fertilizers and pesticides.

The "Green Team" sub-committee of the Environmental Commission plans, coordinates, and prepares the Chatham Borough submission to the Sustainable Jersey municipal sustainability certification program. 378 municipalities throughout New Jersey are registered with Sustainable Jersey, and 109 are certified at the Bronze or Silver level. In July 2012, Chatham Borough received the Bronze certification from Sustainable Jersey and received the Silver certification in November 2015. Please visit the Sustainable Jersey website (www.sustainablejersey.com) for everyday tips you can implement to live your life more sustainably.

LIBRARY OF THE CHATHAMS

214 Main Street
973-635-0603
www.chathamlibrary.org

The Library of The Chathams (after store-front beginnings in 1907 as The Chatham Public Library) became a Joint Free Public Library by referendum in 1975. All residents of, and those working in, Chatham Borough and Township are entitled to free borrowing privileges. The Library is tax-supported on a per capita basis by the two municipalities and administered by six trustees, three appointed from each town for five-year terms; the Superintendent of Schools (or representative); and both mayors (or representatives).

After several temporary locations, the Library evolved to its current site in 1924. The present building was constructed on the property that had contained the old Fairview Hotel, which burned down in 1918. There have been five major additions since its opening in 1924, the latest completed in 2003.

Currently housing over 105,000 fiction and non-fiction books, the Library also provides CD's, DVD's, books on CD, playaways, e-books; 30 PC's for access to the Library catalog, databases, and the Internet, and for word processing; copiers, study rooms, and a well-rounded reference non-circulating collection. More than 19,000 items circulate each month, and more than 262,000 patrons visit yearly. Drops for easy return of books are located at both Library entrances, Hickory Tree Mall, and Fairmount Country Store. AV drops are located at the rear entrance to the Library.

A Reference Librarian is always available in person or by phone (973-635-0603) to answer patrons' questions, help with research, or direct students with assignments. A business collection (including ticker tape reports on television), as well as a general reading section containing numerous newspapers, magazines, and area information racks, are heavily used daily.

The holdings catalog for all Morris County libraries and the most current information can be accessed by the general public through direct connection at home or in-house and through wireless, as well, to the Internet and/or electronic databases containing magazines and newspapers, medical, literary, and business and financial facts. Patrons can access their accounts to place holds and check on loaned items

The Children's Room Librarian schedules reading clubs, programs, movies, storytimes, and crafts regularly; the room is equipped with six recreational computers, toys and puzzles! A special Young Adult section provides reading material geared to the teenager. An Adult Services Librarian schedules a variety of programs, monthly art shows and displays, and coordinates the use of two meeting rooms available to community groups.

Serving the Library, in addition to the regular staff, are many volunteers and an active Friends of The Library group. The Friends maintain paperback bookstalls in the community, provide home reader help and community liaison activities, sponsor an annual book sale, and raise more than \$40,000 annually through dues, donations, and fundraisers for library programs, equipment, and materials.

Director Karen H. Brodsky , Assistant Director Galina Natenzon; Robert Schriek, Head, Reference Services; Janet Skakum, Head, Circulation Services; Deborah Fitzgerald, Head, Adult Services; Mary Kennedy, Head, Technical Services; Jaime Sabonya, Head, Youth Services and the entire staff encourage all Chathamites to visit the library.

The Library of The Chathams is located at 214 Main Street (Route 124), Chatham. Parking is available at the Memorial Park entrance, with access from North Passaic Avenue. The Library is open 7 days per week: Monday - Thursday, 9:30 am – 9 pm; Friday, 9:30 am – 6 pm; Saturday, 9:30 am - 5 pm; and Sundays (except summer), 2 pm – 5 pm. For information and reference, please call 973-635-0603.

TREE PROTECTION

The preservation, maintenance, protection and planting of trees aids in the stabilization of soil by the prevention of erosion and sedimentation; reducing storm water runoff and the potential damage it may create; aids in the removal of pollutants from the air and assists in the generation of oxygen; provides a buffer and screen against noise and pollution; provides protection against severe weather; aids in the control of drainage and restoration of denuded soil subsequent to construction or grading; provides a habitat for birds and other wildlife and otherwise enhances the environment; protects and increases property values; preserves and enhances the Borough's physical and aesthetic appearance; and generally promotes the public health and welfare.

A Permit is required to remove trees greater than six-inches in diameter.

Applications for a permit for the removal or destruction of a tree shall be made directly to the Borough Administrator's Assistant.

Emergency situations:

When wind, snow or lightning storms, or other emergency situations arise outside normal business hours requiring immediate removal of a tree, call 973-635-8000, and the police dispatcher will contact appropriate municipal authorities.

SHADE TREE COMMISSION

shadetree@chathamborough.org

Chatham Borough has had a Shade Tree Commission since 1909. The Shade Tree Commission's responsibilities include planting and maintaining trees along Borough streets, public rights-of-ways, and municipal open spaces. Typically, trees that are located in Borough rights-of-ways are owned and maintained by the Borough through the Shade Tree Commission. The goal of the Shade Tree Commission is to create and maintain optimum tree cover and species diversity while keeping a pruning and removal program that will keep our streets and parks safe.

The Shade Tree Commission meets at Borough Hall the 3rd Tuesday of January, March, May, July, September and November at 7:30 pm.

If a Borough tree adjacent to your property needs an evaluation, email shadetree@chathamborough.org. In an emergency, call 973-635-5242.

If you live on a county road (Fairmount Avenue, North Pas-saic Avenue or Watchung Avenue) the County Shade Tree Management is responsible for the trees near the curb. Call 973-285-2930

SOLID WASTE SYSTEM OVERVIEW

HOUSEHOLD SOLID WASTE

Twice per week collection.

Route A - Mondays and Thursdays / Route B - Tuesdays and Fridays

Mandatory PAY AS YOU THROW system: 30 gallon and 15 gallon bags. Bags placed at curb must be secured to prevent spillage. **OFFICIAL GREEN BAGS** are available at Kings Super Market, Dreyer's Lumber and Shop Rite (Chatham Township).

Bags must be placed at curb prior to 6:00 am on the day of pickup, but not before 5:00 pm the night before pickup. Containers must be removed by 7:00 pm on the day of collection (Ordinance 233-1).

Bags may be placed at the curb in a can to avoid animal problems.

BULK PICKUP

The bulk pickup monthly collection will always be Thursday and Friday of the same week.

Please check the monthly calendar for scheduled dates.

Acceptable items: Household appliances (must have Freon removed), furniture, carpeting, luggage and other oversized items too big to fit in a green bag.

One 32 gallon **CAN** of rubbish may be placed at the curb for pickup.

Rubbish in bags is NOT acceptable unless in green bags.

Rubbish is defined as items such as shoes, baskets, flower pots, etc.

Unacceptable items: Recyclables, hazardous waste, medical waste, car parts, tires, concrete, large amounts of wood or pieces in excess of 5 feet by 2 feet in size, construction debris, cement blocks, windows.

2017 LEAF COLLECTION SCHEDULE

**The Annual Leaf Program will begin on October 23, 2017.
PER BOROUGH ORDINANCE, DO NOT PUT LEAVES IN THE STREET!**

**Leaves will be collected daily in all zones using the vacuum method.
October 23rd through December 8th**

Beginning Monday, October 23, 2017, the Department of Public Works will begin curbside vacuuming of leaves. On Monday, December 4, 2017, the Department of Public Works will start one final curb side collection of leaves. Once the vacuum crews have passed your house they will not return this season. Leaves should not be placed at the curb after Sunday night, December 3rd.

For residents and their landscapers, the mulch site behind Milton Avenue School is open **Monday through Friday from 8 am to 4 pm.** (closed for lunch break from 11:45 am to 1:00 pm) **starting October 23rd and ending December 8th.**

**Saturday Mulch Hours
12 to 4 pm**

**Hours for Wednesday November 22, 2017 only
open 8 am - 12 pm**

Closed November 23rd & 24th

**Mulch Area last Saturday open December 9, 2017
Hours of operation 12 pm - 4 pm**

Residents hiring landscapers should instruct the landscaper to place leaves above the curb in accordance with the above schedule. Landscapers may also contact Public Works (973-635-5242) to make arrangements to bring leaves from Borough residents to the Mulch Area FREE OF CHARGE.

On Tuesday, December 12th and Tuesday, December 19th the Borough will pick up leaf bags piled on the curbside. Residents are responsible for purchasing bags.

2017 MULCH AREA RULES AND DATES

The Chatham Borough Mulch Area located on Duchamp Place, will open for the 2017 season on Wednesday, March 8th, 2017. The hours of operation will be Saturdays 12 pm until 4 pm, and Wednesday afternoons from 1 pm until 4 pm. Entrance to the site on Wednesday is via Center Avenue to Milton Avenue to Duchamp Place.

Please note that Duchamp Place and Elmwood Avenue are one-way heading south on school days and cannot be used to access the mulch area. Please watch for children.

Permits are required, which are issued only to residents. A permit valid for the 2017 season is available at the Mulch Area. Permits will be permanently attached to your vehicle by the DPW at the Mulch Area during the above hours of operation. No one will be admitted without a current permit.

The following items may be disposed of at the site:

GRASS, LEAVES, HEDGE CLIPPINGS, TREE LIMBS UP TO 4" IN DIAMETER

Grass may be disposed of but must be separated from all other mulched items. Plastic bags or containers must be removed from the site.

Residents are reminded that the NJDEP requires that **ONLY** acceptable items be disposed of at the Mulch Area. Failure to comply may result in the closing of the area.

UNACCEPTABLE ITEMS:

STUMPS, HOUSEHOLD REFUSE, CONCRETE, BUILDING MATERIALS, METAL FURNITURE, OR OLD FENCE MATERIALS, LIMBS IN EXCESS OF 4" IN DIAMETER, 2x4s, LANDSCAPE TIES

Available at the Mulch Area (free to residents of the Borough) are: WOOD CHIPS, PROCESSED MULCH. Residents who have a need for large quantities of the above may have it delivered for a modest fee of either \$30 or \$50 per load. Call 973-635-5242 to make arrangements.

DO NOT PLACE YARD DEBRIS IN THE STREET!

Leaf pickup is only conducted in the fall of the year. Any questions or orders for mulch delivery may be directed to the Department of Public Works at 973-635-5242.

Large Rigid Plastics Recycling

Only at Recycling Center—Not for Curbside Collection

There is a great a new opportunity for you: [the recycling of large rigid plastics](#).

What are large rigid plastics? They are harder and thicker plastics than the plastic bottles you have been recycling. Large rigid plastics will be baled and sold to manufacturers who recycle them and make new products.

How do I recycle large rigid plastic items? Large rigid plastic items are NOT acceptable for curbside collection. They are acceptable only at the Recycling Center. Carefully read the signs on the large rigid plastic items container before putting anything into that container. (See sample signs to the right.)

Important: Do not put large rigid plastics into any recycling center containers designated for bottles, cans, paper or single-stream recyclables.

May I recycle small rigid plastic items at curbside? Yes, if they can fit inside your curbside recycling bin. Large rigid plastic items are not accepted at curbside and must be recycled at the town's recycling center.

Acceptable Items:

- Large plastic toys
- Laundry baskets
- Soda & milk crates
- Plastic pet carriers
- Kitty litter buckets
- Plastic storage containers
- Plastic garbage & recycling containers
- Empty & dry plastic paint cans
- Plastic shelving
- Plastic outdoor furniture without PVC pipes
- 5-gallon buckets without metal handles
- Children's car seats without safety straps & foam padding

Rigid Plastics Recycling For Large Items:

Large Toys
Laundry Baskets
Soda & Milk Crates
Plastic Pet Carriers
Kitty Litter Buckets
Plastic Storage Containers
Garbage / Recycling Containers
Empty & Dry Plastic Paint Cans
Plastic Outdoor Furniture *Without PVC Pipes*
5-Gallon Buckets - *Remove Metal Handles*
No Other Types of Plastic

Provided by the Morris County Municipal Utilities Authority - www.MCMUA.com

Unacceptable Items - Do not recycle with large rigid plastics

- Plastic bottles & metal cans
- PVC # 3
- Polystyrene (Styrofoam) # 6
- Flower pots & trays
- Bags
- Computers & electronics
- Electric appliances
- Electric toys
- Battery-operated items
- Metal—remove from items
- 55-gallon drums
- Liquids
- Chemical or motor oil containers
- Coolers
- Tool boxes
- Wheels—remove from items
- Tires
- Water hoses
- Vacuum hoses
- Drain pipes
- Plastic sheets or film
- Vinyl siding
- Fiberglass
- Rubber items
- Cardboard & other paper
- Wood
- Glass
- Dirt, rocks, mud
- Medical or hazardous waste
- Clothing
- Garbage

Unacceptable Items:

**Do not put the following
into the Rigid Plastics Container:**

PVC ♻️ • Polystyrene (Styrofoam®) ♻️
Flower Pots • Flower Trays
Computers • Electric Appliances
Electronics • Electric Toys
Battery-operated Items
Chemical or Motor Oil Containers
Coolers • Tires • Tool Boxes • Wheels
Water Hoses • Vacuum Hoses • Drain Pipes
Vinyl Siding • Fiberglass
Bags • Rubber Items • 55-Gallon Drums

**No Small Plastic Containers or Bottles
No Dirt • No Garbage**

Solutions to Stormwater Pollution:

Easy Things You Can Do Every Day to Protect Our Water

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.
- Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local water bodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities. (see page 27)

Keep pollution out of storm drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local water bodies.
- Do not let sewage or other wastes flow into a storm water system. Clean up after your pet.
- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pickup and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or other agency's requirements and comply with them. It's the law. And remember to:
 - Use newspaper, bags, or pooper-scoopers to pickup wastes.
 - Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
 - Never discard pet waste in a storm drain.

Don't feed wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.

Don't litter

- Please use trash and recycling receptacles - do your part to recycle!
- Please keep lids on all recycling and trash receptacles to prevent litter.
- Participate in community cleanups.

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: you name it and it ends up in our water.

Storm water pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of storm water. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to storm water pollution. Breaking these rules can result in fines or other penalties.
