Hurricane Sandy

Curb Side Brush Collection

Will commence on

Monday, November 5, 2012

Please have your brush out at the curb by 7:30am – Monday morning. With the anticipation of a heavy volume of brush the Public Works plans this collection to last between 10 to 14 working days. This will be a one time collection of each road.

This is a brush only collection. Limbs should not exceed 4” in diameter. No Plastic or Brown Leaf Bags will be collected during this program.

Also please note that the mulch site will stay open for residents from Monday, November 5th through Friday, November 16th if you wish to bring brush, logs and yard waste to the facility. Operating hours will be from 8:00am to 3:30pm.

Curbside leaf collection: The Department of Public Works plans to resume curbside collection of leaves during the latter part of November. A revised collection schedule will be posted shortly.

If you have any questions please contact the Public Works Department at 973-635-5242.
