DISCUSSION ITEMS:

Council Member Holman explained the need for shared services with the Madison Health Department. He gave examples of shared services regarding the court and county dispatch and the need to streamline government and the cost savings to taxpayers. He outlined that the main benefits to the Borough would be more resources available, as well as more coverage from their department. Some of the Board members had questions regarding the reporting of Mr. Faitoute to the Madison Health Department. Mrs. DeRosa will ask Mr. Norgalis to attend another meeting to explain the new procedures.

The Board also discussed striping on stairs to make stairs more visible to residents. Also discussed was the noise and pollution of power equipment used by lawn maintenance services. They will be looking into other towns/states for ordinances regarding this matter.

The Board reviewed the plan of the Kinder Care (Parrott Mill property) which will be coming before the various boards.
