

2016 Leaf Collection Update

Weather permitting

Beginning Monday, November 28th, the Department of Public Works will commence one final curbside collection of leaves. Once the vacuum crews have passed your house they will not return this season. **Leaves should not be placed at the curb after Sunday night, November 27th.**

The following options are available to residents who miss the final curbside collection:

For residents and their landscapers: The mulch site behind Milton Avenue School will be open Monday through Friday from 8:00 a.m. to 4:00 p.m. until Friday December 9th. (please allow a 45 minute break for lunch at noon)

Thanksgiving week: The mulch site will be open Monday and Tuesday from 8:00 a.m. to 4:00 p.m. The site will close at 12 noon on Wednesday, November 23rd and will be closed on Thanksgiving Day. The mulch site will reopen on Saturday, November 26th.

The site will be open two Saturdays: December 3rd and December 10th from 12:00 p.m. to 4:00 p.m.

Also, weather permitting, the Public Works Department will perform two (2) curbside collections of leaf bags on Tuesday, December 6th and again on Tuesday, December 13th. Residents will need to purchase their own paper leaf bags to participate in this collection program.

Please contact the Department of Public Works at 973-635-5242 if you have any questions about the leaf collection program.
