

CHATHAM BOROUGH MISSION STATEMENT

The Mission of the Municipal Government of the Borough of Chatham is to maintain the Borough as a safe, clean and healthy environment for residents, the business community, their guests, employees and customers.

We will accomplish our mission by providing cost-effective municipal programs that will promote, enhance and protect the quality of life in the Borough of Chatham, and deliver municipal services in an efficient, responsive, courteous and professional manner.

Municipal government will be open, and we will continue to seek creative ways to encourage communication among residents, elected and appointed officials and staff.
