RE: Leaf Collection Program - Update

The department of public works completed the final collection of leaves curbside using the vacuum method on Tuesday, December 11, 2007. The vehicles associated with the leaf collection program are now set up for deicing and snowplow operations.

Due to the late fall of leaves this year the Borough Council has extended leaf bag collection until Friday, January 11, 2008. The following options are available to Borough residents and landscape companies.

- Curbside leaf bag collection - collection will continue weekdays until Friday, January 11, 2008.
- Weekday compost site hours of operation – call 973-635-5242. The site will be open to Borough residents upon request until Friday, January 11, 2008.
- Landscape companies are permitted to continue dropping leaves at the site free of charge until Friday, January 11, 2008.

If you have any questions about this program please contact me at the public works office – 973-635-5242

Robert J. Venezia, CPWM
Director of Public Works
