EMERGENCY PREPAREDNESS

BE PREPARED FOR AN EMERGENCY:
1. Prepare a Family Communications Plan.
2. Practice your emergency plan once a month.
3. Designate a meeting place away from your home for family members to meet in an emergency event.
4. Prepare an emergency kit or a “Go Bag.”

The next time disaster strikes, you may not have much time to act. Whether the emergency is a power outage, winter storm, fire, hurricane, flood or thunderstorm, the best thing to do is to prepare now. Include special provisions for children and for disabled family members. Remember, your children may be in school during the emergency. Once you have created a plan, be sure to post it in your home so that all family members can refer to it easily. Practice your emergency plan once a month by holding emergency drills.

The following list will help you get started with a “Go Bag.” For a complete list refer to the Chatham Borough Emergency Preparedness Guide on the Borough website chathamborough.org.

- Flashlights & extra batteries
- Battery operated or crank radio
- Bottled water (1 gallon per day per person for 3 days)
- Sanitation supplies (bleach, etc.)
- Canned goods and non-perishable items (3 days supply)
- Manual can opener
- Candles and matches in waterproof container
- First Aid Kit and Prescription Medications
- Extra pet supplies
- Special items for infants, elderly, or disabled family members.

CHATHAM BOROUGH FIRE SAFETY BUREAU

ALERT CHATHAM BOROUGH NOTIFICATION SYSTEM
Receive alerts about emergencies and other important community notifications by signing up for Chatham Borough’s emergency alert system, AlertChathamBorough. This system provides you with critical information, including severe weather forecasts, road closures, and evacuations of buildings affecting Chatham Borough. Time-sensitive notifications can be sent to your home phone, cellular phone and to your email address. Please visit chathamborough.org to sign up.

Register disabled family members with the Chatham Borough Office of Emergency Management. Sign-up at registerready.nj.gov or call 2-1-1.

POWER OUTAGES
To report a power outage please call JCP&L at 1-888-LIGHTSS or visit firstenergycorp.com, facebook.com/JCP&L, or sign up for text messaging.

EMERGENCY INFORMATION

IMPORTANT STEPS TO FOLLOW IN AN EMERGENCY:
- Watch for messages from AlertChathamBorough.
- Turn on your radio or television.
- Listen to Emergency Broadcast Station for information about this area:
  Radio stations WMTR 1250AM, WDHA 105.5 FM, Madison 1630AM, Community Bulletin Board Channel 21 Cabvvision, and Channel 32 Verzion FIOS
- Get emergency notifications from AlertChathamBorough.
- Follow instructions provided by Office of Emergency Management.

What is Carbon Monoxide?
Carbon monoxide, or CO, is a colorless, tasteless and odorless gas. Because it can’t be seen, tasted or smelled, its toxic fumes can kill you before you are even aware that it is present in your home. At lower levels of exposure, CO causes mild effects that are often mistaken for the flu, with symptoms that include headaches, dizziness, disorientation, nausea and fatigue. The effects of CO exposure can vary greatly from person to person depending on age, overall health, and the concentration and length of exposure.

Carbon Monoxide Detectors
If your CO alarm sounds, call 911 and evacuate the building. Install at least one UL (Underwriters Laboratories) rated carbon monoxide detector with an audible warning signal outside of each sleeping area of your home. Carbon monoxide alarms measure levels of CO over time and are designed to sound an alarm before an average healthy adult would experience symptoms. It’s possible that you may not be experiencing symptoms when you hear the alarm, but this does not mean that CO is not present. If you have any questions call the Chatham Borough Fire Safety Bureau at (973) 635-0674 x217.

Smoke Detectors
At a minimum, smoke detectors should be located on every floor level and not more than 10 feet from each bedroom. For additional protection, smoke detectors should be placed inside of each sleeping area. If smoke detectors were installed 7-10 years ago, consider replacing them. Don’t forget to practice at home fire drills and choose a designated meeting place outside of the home for family evacuations.

Test your smoke and carbon monoxide detectors and change the batteries regularly.
**WARMING CENTERS:**

1. ST. PAUL'S EPISCOPAL CHURCH
2. LIBRARY—MAIN ST
3. CHATHAM UNITED METHODIST CHURCH
4. OGDEN MEMORIAL PRESBYTERIAN CHURCH
5. FIRE DEPARTMENT—COMMONS ROOM
6. ST. PATRICK CHURCH
7. STANLEY CONGREGATIONAL CHURCH
8. BOROUGH HALL—54 FAIRMOUNT AVE
MAKE SAFETY A PRIORITY

- The speed limit in Chatham Borough is 25 mph on all local roads, unless marked otherwise.
- STOP FOR PEDESTRIANS IN A CROSSWALK.
- DO NOT TEXT WHILE DRIVING. Use a cell phone with a hands-free device.
- Lock your car and take the key with you; do not leave valuables in plain sight.

SCHOOL CROSSING GUARDS NEEDED

The Borough of Chatham is always interested in hiring both full time and substitute School Crossing Guards for the school year. A paid 20-hour training program is required. If interested please call Mary Beth Ciccarelli, CBPD at 973-635-8000.

NOISE

Borough Ordinances regulate the hours of outside construction and the use of power equipment by residents, contractors and landscapers. Power equipment may only be used outdoors during the following hours:
- Weekdays: 8:00 am to 7:00 pm
- Saturday: 9:00 am to 6:00 pm
- Sunday: 9:00 am to 6:00 pm (by property occupants only)

PRIVATE ALARM SYSTEMS

Private alarm systems require an annual permit issued by the Police Department. A fee is required and due during the month of January. The applicant and the system must be in compliance with the Borough alarm system regulations.

SNOW REMOVAL

Snow must be removed from public sidewalks within the first 12 hours of daylight from the time the storm ends and must be cleared to a 4 foot width. Please do not plow or place snow onto roadways. Remove ice on sidewalks with salt and to prevent slip and falls, apply sawdust, sand or ashes within the first 12 hours of daylight after the formation of the ice.

Cars are not allowed to be parked on any street whenever snow has accumulated on the street that snow removal operations will be required. Parking prohibitions remain in effect after the snow has ceased until the streets have been plowed sufficiently and parking will not interfere with the normal flow of traffic. Any vehicle in violation will be towed at the owner’s expense.

PARKING INFORMATION

TRAIN STATION ANNUAL PARKING PERMIT

Parking permits for Railroad Station North & South are available to Chatham Borough residents ONLY at a yearly cost of $480.00. There is a waiting list for Annual Parking Permits. When moving out of town, return your parking permit to receive a pro-rated refund.

For inquiries about a Train Station Annual Parking Permit, call Cheri Morris at 973-635-0674 ext. 214. For more details on parking in Chatham Borough, please visit the parking webpage at chathamborough.org.

TRAIN STATION METERED PARKING

Metered parking is available to the public for $5.75 per day, motorcycles & scooters $2.75 per day. Hours of enforcement are 5:00 am to 4:00 pm Monday through Friday, except legal holidays.

Metered spaces are numbered and payment can be conveniently made at the kiosk on the platform using a credit card, debit card, the Park Mobile app or cash. When using cash, exact change should be used. A receipt will be issued as proof of payment.

Register at parkmobile.com to pay for your parking space through Park Mobile, an app accessible through your smartphone or computer.

DAILY PARKING PERMIT

After 9:00 am Monday through Friday, you may obtain a daily parking permit to park in vacant permit spaces (not numbered). Daily Parking Permits can be purchased for $5.75 in the Finance Office room 205 at Borough Hall, 54 Fairmount Avenue.

RESIDENT PARKING PERMIT PROGRAM

If you live on a street that has time limit parking, you may apply for a permit to park in front of your house longer than the time limits. (This DOES NOT include overnight parking). If you wish to apply for a resident permit, pick up an application at Borough Hall, Room 205, or download the application at chathamborough.org.

CAREGIVER PARKING PERMIT PROGRAM

For the purpose of this program, a caregiver is a paid helper who regularly looks after a child or sick/elderly/disabled person. See instructions for Resident Parking Permit Program.

PARKING ENFORCEMENT UNIT INFORMATION

Please call the Parking Enforcement office at 973-635-8000 ext. 252 or email parking@chathampd.org.

OVERNIGHT PARKING

There is NO PARKING on any street between the hours of 2:00 am and 6:00 am.

**ANNUAL CURB & SIDEWALK PROGRAM** Chatham Borough officials review the condition of all curbs and sidewalks in the Borough on an annual basis and a listing of curbs and sidewalks requiring repair or replacement is completed before the month of May. Residents can submit a Sidewalk Repair Request Form, available on the Borough website, to the Borough Engineer for consideration, or Report a Concern button on the Borough website.
### HOUSEHOLD SOLID WASTE

**Twice per week collection:**
- Route A - Mondays and Thursdays
- Route B - Tuesdays and Fridays

**MANDATORY “PAY AS YOU THROW” HOUSEHOLD SOLID WASTE COLLECTION PROGRAM**

Borough residents are required to use plastic green bags for household solid waste collection. The green bags come in 15- and 30-gallon sizes and are available for purchase at Kings Super Market, Dreyer's Lumber and the Chatham Township ShopRite. Other plastic garbage bags will not be picked up.

Green bags must be at the curb before 6:00 am on the day of collection and may be placed at the curb after 5:00 pm the evening before the day of collection if convenient to do so.

To avoid animal problems or to prevent spillage, green bags can be placed in a container. All containers must be removed from the curb by 7:00 pm on the day of collection.

### BULK PICKUP

The bulk pickup monthly collection is scheduled Thursday and Friday. Please refer to the monthly calendar for scheduled dates.

One 32-gallon container may be placed at the curb for pickup. Rubbish placed in plastic bags will **NOT be picked up unless in green bags**.

**ACCEPTABLE ITEMS:**
Household appliances (must have Feen removed), furniture, carpeting, luggage, toys and other oversized items too big to fit in a green bag.

**ITEMS NOT ACCEPTED:**
Recyclables, hazardous waste, medical waste, car parts, tires, concrete, cement block, Wood framing and wood pieces in excess of 5 feet by 2 feet in size, construction debris, windows, batteries.

---

If your household solid waste or bulk pickup has not been collected, please contact Suburban Disposal at 973-227-7020

### In an emergency, every second counts.
- Please remove any snow and ice from around a fire hydrant
- Clear a wide enough perimeter to walk around it (around 3 feet)
- Clear a path from the hydrant to the street

### ENERGY SAVING TIPS:
- Turn down the thermostat 15 minutes before you go to bed.
- Use ceiling fans in the "up rotation" position to obtain better heat distribution.

---

CODE ENFORCEMENT
CONSTRUCTION & ZONING

CONSTRUCTION PERMITS
The Madison Building & Construction Department handles the processing and issuance of building and construction permits for Chatham Borough and schedules all subcode inspections to ensure that all work has been performed in accordance with the Uniform Construction Code as adopted by the State of New Jersey. It may be beneficial to contact the Madison Building & Construction Department before you plan or upgrade a construction project.

DEMOLITION PERMITS
The dismantling, destruction or removal of any structure, or part of a structure, requires official zoning approval. Contact the Chatham Borough Engineer & Zoning office if you are interested in razing a structure. Once zoning approval has been obtained a demolition permit will be required. The Madison Building & Construction Department handles the processing and issuance of demolition permits for Chatham Borough.

ZONING AND LAND USE MATTERS
Inquiries concerning zoning and land disturbance matters, such as reviews for signage, fences, driveways, patios, sheds, building setbacks, lot requirements are handled by the Chatham Borough Engineer & Zoning office. Guidance will be given on whether formal zoning approval is required or a zoning permit is needed for a project.

VOTER REGISTRATION & ELECTION DAY INFORMATION

VOTER REGISTRATION
Individuals are eligible to register to vote if they are a citizen of the United States and will be 18 years of age on or before the next election.

New voters and residents who have moved to Chatham Borough from another state or from another county in New Jersey will need to file a voter registration application with the Morris County Board of Elections. Registered voters who have moved within Morris County must also update their voter registration with a change of address.

Voter Registration applications are available at the Clerk’s office or may be printed from the Borough website.

ELECTION DAY INFORMATION
The Primary Election day is Tuesday, June 4, 2019
The General Election day is Tuesday, November 5, 2019
Polls open at 6:00 am and close at 8:00 pm

POLLS LOCATIONS IN CHATHAM BOROUGH
Registered voters are assigned a specific Election District and polling place according to their street address. Registered voters can find their Election District and polling place printed on the face of the Sample Ballot mailed the week before election day.

MAIL-IN BALLOTS (formerly known as Absentee Ballots)
A voter may apply to vote by a Mail-In Ballot for any election. Vote by Mail-In Ballot applications are available at the Chatham Borough Clerk’s Office and the Borough website. Once the Vote by Mail-Ballot application is received and approved by the Morris County Board of Elections, the election ballot with instructions for completion will be mailed to the voter at the address indicated on the application. The voter will not be allowed to vote at a polling location.

BECOMING A POLL WORKER FOR ELECTIONS
Earn extra income while performing an important civic function. Morris County election officials hire registered voters to work at the polls.

Poll workers earn $200 for each election day worked. Interested individuals should submit an application with the Morris County Board of Elections and complete a 2-hour training. Classes are held in the months of May and October at many locations throughout the county prior to election days.

Individuals interested in working the polls should apply online at morriselections.org.

**Report a Concern**

Residents can now report neighborhood issues they see like needed pothole repairs, street tree hazards, drainage issues and more - with photos, videos, and descriptions - using the "Report a Concern" button on the Borough's website or through the free SeeClickFix mobile app for Android or iOS. Once a concern is reported, residents will be kept informed on the progress. SeeClickFix makes it easier to report concerns in our community.

PLANNING BOARD

The Chatham Borough Planning Board functions under the authority of the Municipal Land Use Law of New Jersey, N.J.S.A. 40:55 D and Borough Code, Chapter 165 Land Development. The Planning Board reviews and acts on site plan and subdivision applications and is empowered to review and approve "C" variances in conjunction with development applications. The Planning Board is also responsible for reviewing and making recommendations on land use zoning ordinances of the Borough and reexamining and updating the Borough's Master Plan.

The Chatham Borough Planning Board meets twice monthly on the first and third Wednesday of every month at 7:30 pm in Borough Hall.

MASTER PLAN

A Master Plan is a community-wide land use policy guide adopted by the Planning Board. This Plan sets the vision and blueprint for the community's growth, revitalization, and preservation. It is not a law or a mandate. It does, however, contain the goals that inform zoning and public decision-making around development, preservation, and infrastructure. Importantly, a Master Plan Reexamination also acknowledges the major challenges relating to land use policy and development, as well as significant changes in policies at a variety of scales, including changes in state and county policy directions. The Borough's last Master Plan Reexamination and Update Report was adopted by the Planning Board in 2016 and is available on the Borough website.

REDEVELOPMENT

After extensive community input and market research throughout 2018, the Borough is prepared to introduce a redevelopment plan for the Post Office Plaza Redevelopment Area in early 2019 for public review. The plan will be reviewed by the Borough Council, the public and all applicable boards. The regulatory process requires an ordinance introduction, Planning Board consistency review and a public hearing for adoption before the Borough Council. It is expected that final development plan(s) for the area will be complete by fall of 2019. Information regarding the Post Office Plaza Redevelopment Planning process can be found on the Borough website.

The Borough Council designated properties along River Road as non-condemnation Areas in Need of Redevelopment in November 2018. Redevelopment planning will kick off in January of 2019 with public outreach in early March. The redevelopment planning process is expected to be complete by June of 2019.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment's powers are very specific and different from the Planning Board. The Zoning Board of Adjustment is often called a "quasi-judicial" body and its principal duties are to hear and decide on requests for interpretations of the Borough's zoning and land development ordinances. Like the Planning Board, the Chatham Borough Zoning Board of Adjustment functions under the authority of the Municipal Land Use Law of New Jersey, N.J.S.A. 40:55 D and Borough Code, Chapter 165 Land Development.

The Chatham Borough Zoning Board of Adjustment meets monthly on the fourth Wednesday of every month at 7:30 pm in Borough Hall.

Variance requests that are considered by the Zoning Board of Adjustment include:

A & B Variances

An "A" variance application is filed when an applicant believes that the Borough's Zoning Officer has erred in denying a request for a permit based on the Borough's land development ordinances. The Zoning Board is also responsible for interpretations of the zoning ordinance and the zoning map on questions related to whether or not a specific use is permitted. This type of variance is called a "B" variance.

C Variance

The most common type of variance heard by the Zoning Board of Adjustment is a variance from the bulk and dimensional requirements of the ordinance, referred to as a "C" variance or "bulk" variance. This is a commonly requested variance in town, generally associated with construction of single-family dwellings, accessory structures and additions. When building or expanding, a "C" variance may be needed because existing constraints of the property, size, area, shape or topographic conditions which may prevent compliance with the zoning regulations for that property.

D Variance

Where an applicant is seeking a use that is not permitted by the zoning ordinance, the applicant is required to obtain a "D" variance or "use" variance. There are six different kinds of "D" variances. An applicant seeking a "D" variance, must show the property is particularly suitable for the proposed use and that the variance can be granted without causing substantial detriment to the public good and won't substantially impair the intent and purpose of the municipal zoning ordinance and municipal Master Plan.

ENVIRONMENTAL COMMISSION

The Borough of Chatham Environmental Commission is an advisory board created to protect our natural resources. The Commission gathers information, communicates with other Borough agencies and our residents, and encourages our community to appreciate and enjoy our environment. The Commission also recommends to the Mayor and Council ways that Chatham Borough can become more environmentally sustainable.

The Environmental Commission is concerned with clean air and water, environmental quality, waste management, and land and wildlife preservation. Recent Commission projects include the Historic Riverside Trail at Shepard Kollock Park, the “Bags to Benches” pilot program for recycling plastic bags, piloting the “Quiet Communities” program by switching gasoline powered leaf blowers to electric, piloting the organic treatment of the Borough Hall and Library lawns as a prelude to treating our playing fields organically.

Environmental Commission meetings are held the second Wednesday of each month at 8:00 pm in Borough Hall. The annual Trail Cleanup is held every April. Residents are welcome to participate in all Commission events and attend its monthly meetings.

GREEN TEAM

BECOME A MEMBER OF THE “GREEN TEAM”!

The “Green Team” is a sub-committee of the Environmental Commission that plans, coordinates, and prepares the Chatham Borough submission to the Sustainable Jersey municipal sustainability certification program. 448 municipalities throughout New Jersey are registered with Sustainable Jersey and 210 are certified at the Bronze or Silver level.

Sustainable Jersey is a statewide program whereby we all learn how to include protection of our environment in our everyday lives and activities. Learn what you can do to help by visiting the Sustainable Jersey website at www.sustainablejersey.com.

CONSERVE AND PROTECT OUR WATER SUPPLY

Watering lawns is permitted only from 6:00 am to 9:00 am and 6:00 pm to 9:00 pm with mandatory odd-even, by house number, lawn watering.

Please call 973-635-0674 x 214 for an additional water restrictions that may be in place.

Help save water by:

◊ Checking leaky faucets and have them repaired.
◊ Don’t run the water faucet while brushing your teeth or shaving.
◊ Run full loads of dishes and laundry.

SUSTAINABLE CHATHAM

METHODS FOR REDUCING HOUSEHOLD SOLID WASTE

- Reuse an old item before buying a new one.
- Borrow items you only need for a single use occasion
- Purchase products that use less packaging
- Make sure not to throw away items that can be recycled.

IMPORTANCE OF REDUCING HOUSEHOLD SOLID WASTE

- Reduces the amount of waste going into landfills
- Reduces your carbon footprint
- Reduces greenhouse gas emissions (GHG's)
- Helps Borough of Chatham achieve Sustainable Jersey certification.
- For more information on how to reduce solid waste, please visit www.epa.gov/recycle

CONTAMINATED RECYCLING

Plastic shopping bags are NOT to be placed in your single stream recycling, even if those bags contain your recycled items. The plastic bags contaminate the quality of paper and cardboard sent overseas for reuse and recycler's work force cannot possibly remove every plastic bag out of the stream of recyclables. If a paper/cardboard shipment is rejected, the Borough is charged for the price of transport due to the contaminated shipment being rejected. The faith based community collects plastic grocery bags in the “Bags to Benches” program.

SUSTAINABLE JERSEY

In 2010, Chatham Borough became Bronze certified as a sustainable community by Sustainable Jersey. Efforts in 2012, 2015 and 2018 brought Silver Certification, Sustainable Jersey’s highest honor, along with the Champion Award for the most awarded points or a mid-sized community during all three years. Our Green Team is currently working toward the newly launched “Gold Star” standard which involves advanced actions in the areas of Reducing Solid Waste and Increasing Energy Efficiency.

For more information on Sustainable Jersey, visit www.sustainablejersey.com, or environmentalcommission@chathamborough.org

COME TO THE LIBRARY
Library of The Chathams is a thriving, active center of our community that welcomes people of all ages and interests. In today's busy world, the library is a community destination – a place of exploration, activity and learning for everyone to enjoy. Library of The Chathams strives to provide the space, materials, and services that all residents need to grow and connect to each other and the world. All residents of, and those working or attending school in, Chatham Borough and Township are entitled to free borrowing privileges. The Library is tax-supported by the two municipalities and administered by six trustees, three appointed from each town for five-year terms; the Superintendent of Schools (or representative); and both mayors (or representatives).

SHADE TREE COMMISSION

The Chatham Borough Shade Tree Commission was established in 1909. The Commission's responsibilities include planting and maintaining trees along Borough streets, public right-of-ways, and in the Borough parks and open spaces. Street trees along Fairmount Avenue, North Passaic Avenue and Watchung Avenue are maintained by Morris County. It is the goal of the Shade Tree Commission to create and maintain optimum tree cover and tree species diversity, while also maintaining a pruning and removal program to keep our streets and parks attractive and safe.

Chatham Borough has been designated a Tree City USA community since May 2001. The Chatham Borough Shade Tree Commission meets monthly on the third Tuesday of every month at 7:30 pm in Borough Hall.

HOW TO REQUEST THE PLANTING OF A STREET TREE
The Shade Tree Commission is always looking for opportunities to plant new trees to replace those that have been lost to age, disease or stormy weather over the years, and budgets funds each year to plant new trees on our streets and in our parks. A limited number of trees are available each year on a first-come, first-served basis and are planted during the fall season. Residents requesting a street tree planting should submit a Tree Service Request form or through Report a Concern both available on the Borough website.

HOW TO REQUEST THE EVALUATION OF A STREET TREE
Residents who have concerns about a street tree or a tree in one of our parks should submit a Tree Service Request form to the Shade Tree Commission for evaluation. The form is available on the Borough website.

EMERGENCY TREE SITUATIONS
Snow, wind, lightning storms, or other emergency situations may arise and require the immediate removal of a street tree. During normal business hours, call the Public Works

TREE PROTECTION & PRESERVATION ORDINANCE
Chatham Borough adopted a Tree Protection & Preservation Ordinance that requires property owners to acquire a permit ($25.00 fee) before removing any tree on private property. A Tree Removal Application, available on the Borough website, is filed with the Department of Community Services. The Borough's Enforcement Official will visit the location and inspect the land and trees in order to determine the effect of the destruction or removal upon drainage, soil stability and growth and development of the remaining trees on the land and adjacent property. The Enforcement Officer will conditionally grant, or deny the request based on the inspection.

HISTORIC PRESERVATION COMMISSION

The purpose of the Historic Preservation Commission is to encourage the continuation of the Borough's grace and charm through preservation of its historic character.

The Chatham Borough Historic Preservation Commission meets monthly on the third Tuesday of every month at 7:30 pm in Borough Hall.

Chatham was initially settled in 1715 and throughout the years Main Street has grown rich with historic buildings and architecture. In 1973, the portion of Main Street extending from the Borough's eastern boundary west to Lafayette Avenue was named a Historic District on the New Jersey Register of Historic Places. Any building project involving new construction, exterior changes, or demolition to any existing structure, or part of a structure, within the Historic District, must file an application and appear before the Commission. The Historic Preservation Commission then prepares a Review Report for the Zoning Board of Adjustment and/or Planning Board with its findings and recommendations. Persons considering applications are encouraged to request informal informational meetings with the Commission prior to filing an application.

In 1994, the Historic Preservation Commission published a Design Guidelines Manual to assist property owners, retailers and developers in planning their projects and to help in projects of a seemingly minor nature. It also answers questions regarding the history or architecture of a number of Chatham's buildings and streets. The booklet is available in Chatham Borough's Clerk's Office or in the reference section of the Library of the Chathams.

SENIOR SERVICES CENTER OF THE CHATHAMS

The Senior Services Center of the Chathams is a non profit agency founded in 1990, which encourages the independence and wellbeing of seniors and their families in the greater Chatham area. It operates a senior center, bus service and information and referral services. There is no annual fee to participate.

The Senior Center offers daily exercise classes, weekly art classes, discussion groups, Bridge instruction, knitting circle, movies and monthly health screenings.

The bus service operates Tuesday, Thursday and Friday from 9:00 am to 2:00 pm and provides curb-to-curb service anywhere in the Chathams and Madison. Reservations can be made 1-day in advance between the hours of 9:00 am and 2:00 pm by calling 973-635-4565. Additional information is available on the website chathamseniorcenter.org.

“ALL-IN-ONE” SINGLE-STREAM RECYCLING

“All-in-one” single-stream recycling allows aluminum & steel cans, glass bottles/jars, plastic bottles_containers coded #1, #2 & #5, paper, junk-mail, newspaper and cardboard mixed together for recycling. Bottles/cans & boxes must be empty and free of food residue. Please flatten all cardboard boxes (remove foam and plastic packaging, which is not acceptable in curbside recycling program).

The MUA does not accept plastic grocery bags. These plastic bags jam the sorting mechanisms at the recycling facility. Most grocery stores will accept plastic grocery bags in specially-marked bins.

CURBSIDE RECYCLING PICK UP EVERY FRIDAY (except holidays).
Recycling containers should be placed at the curb before 6:00am on the day of collection. The Morris County Municipal Utilities Authority (MUA) collects recyclable materials in Chatham Borough at curbside. The MUA recommends using 32-gallon containers with lids and handles for “all-in-one” single stream recycling collection. Containers must not exceed 50 lb. in weight. If necessary, use multiple containers for recyclables. Please refer to Page 25 in the Borough Calendar for more information on what items can be recycled.

CHATHAM BOROUGH RECYCLING DEPOT
The Borough’s recycling depot, located at 99 Summit Avenue, is open to Borough residents every Saturday from 9:00am to 12:00pm.

THE RECYCLING DEPOT ACCEPTS:
- Large rigid plastics: lawn furniture, toys, plastic containers & buckets
- Textiles: clothing, blankets, towels, drapes, curtains
- Electronic equipment: TV's, monitors, fax/copier machines, PC's & keyboards, stereos, telecommunication equipment, VCRs, ink cartridges from fax, printers & copiers

THE RECYCLING DEPOT DOES NOT ACCEPT:
- Batteries or cell phones
- Styrofoam containers and packing peanuts. These items should be placed in the trash or returned to local shipping retailers for reuse
- Mirrors, light bulbs, cookware or bakeware, flower pots or trays
- Hazardous waste items
- Hard cover books. Visit newlegacybooks.com for drop off locations

SOLID WASTE PROGRAM
Morris County Municipal Utilities Authority (MUA) has two transfer stations located in both eastern and western Morris County to manage the solid waste disposal needs for all of Morris County residents and businesses.

Mount Olive Transfer Station
168 Gold Mine Road, Flanders, NJ 07836
Tel: 973-347-8106 | Fax: 973-347-3784
Hours: Mon-Fri 7:30am-3:00pm; Sat 7:30am-11:00am; closed Sundays

Parsippany-Troy Hills Transfer Station
1100 Edwards Road, Parsippany, NJ 07054
Tel: 973-808-9651 | Fax: 973-808-9649
Hours: Mon-Fri 7:00am-3:00pm; Sat 7:30am-11:00am; closed Sundays

HOUSEHOLD HAZARDOUS WASTE PROGRAM:
- Aerosol cans
- Fire extinguishers
- Propane cylinders (BBQ-sized cost $5 per cylinder at MUA facility)
- Car batteries and rechargeable batteries (button cell & lithium)
- Florescent lightbulbs, including CFLs containing mercury
- Thermometers, thermostats containing mercury
- Gasoline, diesel fuel, kerosene (must be in certified fuel cans)
- Motor oil and automotive fluids (brake, transmission, steering and anti-freeze)
- Pesticides, herbicides, fertilizers
- Paint thinners and removers
- Oil-based paints, stains, varnishes and lacquers
- Pool & photographic chemicals, including chlorine
- Polish & nail polish remover (acetone)
- Non-latex driveway sealants or roof tar

Materials will not be accepted in containers larger than 5 gallons. All materials must be in clearly marked containers identifying contents. The MUA charges fees to dispose of certain items, payable BY CHECK ONLY. Visit mcmua.com or call the MUA's Household Hazardous Waste Facility 973-829-8006.

SAFELY DISPOSE OF UNWANTED PRESCRIPTION DRUGS
24/7 drop boxes to dispose of unwanted prescription drugs are located at:

Madison Police Station
62 Kings Road, Madison NJ

Chatham Township Police Department
401 Southern Blvd, Chatham NJ

County Wide Locations: https://sheriff.morriscountynj.gov/community/drug/

2019 FALL LEAF COLLECTION & MULCH SITE SCHEDULE

LEAF COLLECTION SCHEDULE
The Department of Public Works will be collecting leaves at the curb WEEKLY throughout the Borough using the vacuum method from October 21st through December 6th.
Please do not place leaves at the curb after Sunday night, December 1st. The final curbside collection of leaves will take place the week of Monday, December 2nd. Once the vacuum crews have passed your house they will not return for the season.

LEAF COLLECTION PROGRAM GUIDELINES
- RAKE LEAVES TO YOUR PROPERTY LINE. PLEASE DO NOT RAKE LEAVES INTO THE STREET. Leaves should be placed at the curb or street edge not more than 5 feet from the roadway.
- NO DIRT, ROCKS, BRANCHES OR TREE LIMBS. These materials pose serious hazards to employees and can cause costly damage to leaf collection equipment.
- KEEP LEAVES AWAY FROM CULVERTS AND STORM DRAINS. The DEP has instituted Municipal Stormwater Regulations. Part of the regulations mandate that the Borough enforce the ordinance prohibiting the placement of yard waste and leaves in the road or within ten (10) feet of any storm sewer inlet. Please take notice: Tickets will be issued on first occurrences.
- COLLECTION OF PAPER LEAF BAGS: DECEMBER 10TH AND DECEMBER 17TH. On Tuesday, December 10th and Tuesday, December 17th, the Borough will pick up paper leaf bags that are placed at curbside. Residents are responsible for purchasing biodegradable paper bags.

FOR RESIDENTS AND THEIR LANDSCAPE COMPANIES
Residents hiring landscape companies should instruct their landscaper to place leaves at the street edge or curb in accordance with this leaf collection schedule and guidelines. Landscapers may also make arrangements to bring leaves collected from Borough residence properties to the mulch site free of charge.
Landscapers must contact the Department of Public Works at 973-635-5242 to sign up for this free program.

2019 MULCH SITE RULES & HOURS OF OPERATION
Starting October 21st and ending December 7th, the mulch site, located on Duchamp Place behind the Milton Avenue School, will be open:
- Monday - Friday 8:00 am to 4:00 pm (closed for lunch 11:45 am to 1:00 pm).
- Saturday 12:00 pm to 4:00 pm
- Thanksgiving Holiday Hours:
  - Wednesday, November 27th open 8:00 am - 12:00 pm
- Closed November 28th and November 29th
- Last day the mulch site will be open for the season:
  - Saturday, December 7, 2019 open 12:00 pm - 4:00 pm

Please note that Duchamp Place and Elmwood Avenue are one-way streets heading south on school days and cannot be used to access the mulch site. Please watch for children.

BOROUGH RESIDENTS ARE REQUIRED TO OBTAIN A PERMIT TO ACCESS THE MULCH SITE. No one will be admitted without a valid permit. Permits can be obtained from the DPW at the mulch site.

THE FOLLOWING YARD MATERIALS MAY BE DISPOSED OF AT THE MULCH SITE:
- GRASS, LEAVES, HEDGE CLIPPINGS, and TREE LIMBS UP TO 4" IN DIAMETER
Grass may be disposed of but must be separated from all other mulched items. Plastic bags or containers must be removed from the site.

MATERIALS NOT ACCEPTED AT THE MULCH SITE:
- STUMPS, HOUSEHOLD REFUSE, CONCRETE, BUILDING MATERIALS, METAL FURNITURE, FENCE MATERIALS, LANDSCAPE TIES, LUMBER, and TREE LIMBS IN EXCESS OF 4" IN DIAMETER
The NJDEP requires that only acceptable yard materials may be disposed of at the mulch site. Failure to comply with NJDEP regulations may result in the closing of the mulch site.

WOOD CHIPS and PROCESSED MULCH
WOOD CHIPS and PROCESSED MULCH are available free of charge to residents. Residents who have a need for large quantities may have it delivered for a small fee of either $30 or $50 per load. Call the DPW office 973-635-5242 to schedule delivery.

Time To Place Items At Curb (by 6:00 am - Day of Collection)
Missed Garbage Pickup Call Suburban Disposal 973-227-7020
Mulch Area Weekdays ONLY Closed for Lunch 11:45 am - 1 pm
Missed Recycling Pickup Call MCMLA 973-659-3490 or recycline@mcmla.com
The Morris County Municipal Utilities Authority "all-in-one," single-stream recycling collection program allows cans, bottles, cardboard and all other paper to be mixed together for recycling. All of these items can go into one recycling container.

Recycle office paper, file folders, junk mail, envelopes, flyers, newspapers and inserts, magazines, catalogs, paperback and phone books, wrapping paper, paper bags, tissue and cookie boxes, paper towel and toilet tissue cores, frozen food boxes, cartons and boxes used for milk, juice, soup, broth, etc., clean pizza boxes, 6-pack and 12-pack cartons from soda, clean paper ice cream containers. Corrugated cardboard must be flattened. (*For shredded paper preparation, see below.)

Recycle plastic containers (bottles and non-bottles) coded:
Plastic caps and lids larger than 3" in diameter are acceptable. *The smallest acceptable plastic container is an 8-ounce yogurt cup. Containers must be empty.

Recycle aluminum and steel (tin) cans, loose metal jar lids, steel bottle caps, clean aluminum foil, pie plates and trays.

Recycle glass bottles and jars with caps and lids removed. Recycle loose metal caps and lids. Bottles and jars must be empty.

IMPORTANT
*Recycling containers must not exceed 50 pounds. 32-gallon containers are recommended.
*Only use plastic bags for shredded paper. All other material must be loose in a container, not in a bag.
*Do not tie cardboard or newspapers, put in reusable containers loose, or stack folded boxes into one box.
*Label your recycling containers with free decals from your town or the MCMUA.
*If necessary, use multiple recycling containers. Containers must have handles. Lids are strongly recommended.

All items must be empty, dry, and free of food residue.
No liquids
No cups
No plastic items smaller than 6 ounce yogurt cups. For example, do not recycle small plastic caps or Gill bottles
No VHS/VCR tapes
No hangers
No hardcover books
No flower pots or trays
No plant material or food waste
No window panes, mirrors, glass vases, ceramics, or Pyrex® dishes
No glass, plastics or metal other than what is listed
No electronic waste (batteries, cell phones, computers, etc.)
No paint, pesticides, oil and cleaners
No waxed paper
No waxed cardboard
No Styrofoam™ or paper to-go containers
No stickers or address label sheet waste
No spray pumps or nozzles
No straws
No motor oil, gas or anti-freeze containers
No clothing, textiles, or shoes
No insulated box liners
No diapers
No garbage
No plastic bags other than for shredded paper

*Shredded paper must be in clear plastic bags. Nothing else should be in a plastic bag except for shredded paper. Shred only confidential information.

CHATHAM BOROUGH BOARD OF HEALTH

The Borough of Chatham Board of Health was established by ordinance in 1898 at the time of the Borough's incorporation as a municipality. The Board is comprised of seven members who are responsible for ensuring the development and implementation of public health policy and programs. In New Jersey, every municipality is required to be served by a local health department that meets the requirements of state public health laws and regulations.

The Board of Health provides essential environmental and public health services that protect and promote individual and community health. To help board members fulfill their responsibilities as public officials in addressing the ever increasing barrage of public health issues such as influenza, lyme disease, zika virus and emerging pathogens, tobacco control, public health preparedness, and environmental matters, the board is an active member of the New Jersey Local Boards of Health Association.

The Board of Health meetings are held on the 2nd Thursday of each month at 7:00 p.m. in Borough Hall. The public is invited to attend the meetings.

PUBLIC HEALTH SERVICES

The Chatham Borough contracts public health services through the Westfield Regional Department of Health. Under the mandates of the New Jersey Public Health Practice Standards and the ordinances and policies of the Chatham Board of Health, the public’s health is protected through sanitary inspections, enforcement activities, disease prevention and health promotion & education programs scheduled throughout the year.

For information concerning food establishment or food vendor licensing, contact the Clerk's Office at 973-635-0674 ext. 203. To report a concern or complaint about a public health matter, please contact the Westfield Health Department at 908-789-4070.

For more information concerning public health programs and services that are provided to Chatham Borough residents, please visit westfieldnj.gov/health.

PROJECT COMMUNITY PRIDE

Professional counseling service available to residents of Chatham Borough, as well as Madison Borough and Florham Park. This confidential program serves families who need help dealing with issues such as alcohol and drug abuse, divorce and other family issues. Call 973-593-8450 for further information.

VOLUNTEER OPPORTUNITIES

Chatham Borough is a town of volunteers. Volunteers help keep us safe, they protect our homes, they assist us with health emergencies, they provide sports opportunities for our children, they work on municipal boards, commissions and committees, and they sponsor a wide range of events. Most of the volunteer opportunities require no special skills, and, when special knowledge is required, training is available. Volunteers help make Chatham Borough the special community it is.

BOROUGH GOVERNMENT

Volunteers are essential to the operation of Borough government. The Mayor and Council Members are volunteers and receive no compensation. Volunteers also serve on the Board of Health, Environmental Commission, Historic Preservation Commission, Planning Board, Shade Tree Commission, Zoning Board of Adjustment, and the many advisory committees.

Volunteer applications are available on the Borough website or can be obtained at the Borough Clerk’s office.

FIRE DEPARTMENT

The Chatham Borough Fire Department is accepting applications for new volunteers. To volunteer with the Chatham Borough Fire Department, either as an adult member (18 years or older) or a junior member (16-18 years old) contact the Fire Chief at 973-635-0674.

Training is provided through the Morris County Police & Fire Training Academy. When completed, members are qualified for certification by the New Jersey Division of Fire Safety in Firefighter I.

CHATHAM EMERGENCY SQUAD

The Chatham Emergency Squad (CES) is accepting applications for new volunteers. CES members ride one-day or one-night shift per week. Prior training isn't necessary to apply. Call the membership hotline at 973-377-1131.

COMMUNITY EMERGENCY RESPONSE TEAM

Chatham Borough has a trained Community Emergency Response Team (C.E.R.T.) consisting of residents who are trained to help their community in time of emergency. Training includes first aid, fire suppression, search & rescue and the incident Command System. Anyone interested in becoming a C.E.R.T. member should contact the Emergency Management Coordinator at 973-635-0674 ext. 226, or oem@chathamborough.org.
## December 2019

**2020 Railroad Parking Permit Renewals Due Before December 13th**

Residents can now report neighborhood issues they see like needed pothole repairs, street tree hazards, drainage issues and more - with photos, videos, and descriptions - using the "Report a Concern" button on the Borough's website or through the free SeeClickFix mobile app for Android or iOS. Once a concern is reported, residents will be kept informed on the progress.

In an emergency, every second counts.

- Please remove any snow and ice from around a fire hydrant
- Clear a wide enough perimeter to walk around it (around 3 feet)
- Clear a path from the hydrant to the street

Time To Place Items At Curb (by 6:00 am - Day of Collection) Missed Garbage Pickup Call Suburban Disposal 973-227-7020 Mulch Area Weekdays ONLY Closed for Lunch 11:45 am - 1 pm Missed Recycling Pickup Call MCMUA 973-659-1490 or recycling@mcmua.com
LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES
- Do not apply fertilizers if heavy rain is predicted.
- Do a soil test to see if you need a fertilizer. Look into alternatives for pesticides.
- When using fertilizers and pesticides, follow the instructions on the label for correct application.
- Properly store or discard any unused portions.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS
- Do not pour hazardous products down a storm drain because storm drains are usually connected to local water bodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label.
- Use natural or less toxic alternatives when possible.
- Contact the Morris County Municipal Utilities Authority to dispose of hazardous waste products.

PICK UP AFTER YOUR PET AND DISPOSE OF PET WASTE PROPERLY
Some storm drain inlets are marked with messages that the storm drain is connected to local water bodies. Never discard pet waste in a storm drain. Be a good neighbor and properly dispose of pet waste. Use newspaper, bags, or pooper scoopers to pickup waste. Dispose of the wrapped pet waste in the trash or, if unwrapped, in a toilet.

DON'T FEED WILDLIFE
- Feeding of wildlife, such as ducks, geese, deer, and squirrels is prohibited in public areas.

DISPOSE OF YARD WASTE PROPERLY
- Keep leaves and grass out of storm drains.
- Follow all yard waste collection rules.
- Whenever possible, compost leaves, grass clippings and small twigs.

PLEASE, DO NOT LITTER
- Please use trash and recycling receptacles and do your part to recycle!
- Please keep lids on all recycling and trash receptacles to prevent litter.
- Participate in community cleanups.

HEALTHY HABITS FOR CLEANER WATER
Storm water pollution is one of New Jersey's greatest threats to clean water.

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, grass clippings, pet waste, you name it and it ends up in our water.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of storm water. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to storm water pollution. Breaking these rules can result in fines or other penalties.

Reprinted from materials prepared by the NJ Department of Environmental Protection Division of Water Quality Bureau of Nonpoint Pollution Control Municipal Stormwater Regulation Program (609) 633-7021

For more information on storm water related topics visit: njstormwater.org nonpointsource.org.

CHATHAM BOROUGH GOVERNMENT

The Borough form of Government under which Chatham operates provides for a mayor and six council members. The mayor serves a 4-year term, while each year two of the six council members are elected to 3-year terms. All elections are partisan. The mayor and council members are not paid for their service and do not receive stipends, health or pension benefits.

Mayor and Council meetings are open to the public. Regular business meetings are generally held on the second and fourth Monday (unless Monday is a holiday) of each month at 7:30 p.m. in Borough Hall, 54 Fairmount Avenue.

MAYOR

The mayor maintains order, executes state laws and local ordinances, makes personnel appointments with the advice and consent of the Borough Council, and recommends measures to assure the welfare of the Borough. The mayor presides at Borough Council meetings but has no vote except in case of a tie. He or she may veto measures, but the Council may override the veto by a two-thirds vote. By right of office the mayor serves as a member of all Borough committees.

BOROUGH COUNCIL

The duties of the six-member Borough Council include passing local ordinances and resolutions, awarding contracts for public works, approving appointments made by the mayor, making appointments as provided by law, setting the budget and tax levy, and handling bond issues.

The six Council Committees are:

Budget and Finance: Financial oversight and planning; preparation of the budget; review of fees.

Public Works Planning/Community Services: Public Works services, infrastructure planning, solid waste, recycling services, community out-reach, and Borough-sponsored programs, activities and events.

Personnel: Salary and benefits for all personnel; administrative personnel matters.

Public Safety and Emergency Services: Oversight of police, coordination with Emergency Squad and Fire Department.

Shared Services and 3rd Party Agreements: Evaluation and management of shared service arrangements; Service on shared services management committees: Joint Court, Madison Chatham Joint Meeting, Construction Office, Department of Health and DPW equipment sharing.
