

CHATHAM BOROUGH

Announcement

March 20, 2020

Chatham Borough has had additional two adult residents that have tested positive for the COVID-19 virus today. For patient confidentiality purposes, specific details will not be released. As is standard protocol, our health department is monitoring and investigating the case including contact tracing and notifying appropriate parties. Self-quarantining protocols are in place.

As a reminder, we should all be continuing our own social distancing and other guidelines to minimize community spread. We will continue to share information on this and other potential cases when appropriate.

For more information on Chatham Borough's response to COVID-19, please visit www.chathamborough.org.
