

Chatham Borough Police Department

PRESS RELEASE

Press Release #	2020-06	Date:	March 13, 2020	Prepared By:	Michael Bochniak
------------------------	---------	--------------	----------------	---------------------	------------------

As part of our Pandemic Disease Planning and Response policy, the Borough of Chatham Administration and Police Department are coordinating with local vendors to ensure services are provided to its citizens as we deal with the Coronavirus pandemic. Residents with mobility issues, or individuals experiencing flu like symptoms, should not feel compelled to leave their home to get needed groceries and/or medications. The below listed vendors are already providing these services and the Borough of Chatham will assist them to ensure these services continue.

Additionally, we are working closely with the Chatham Senior Center in the event additional services for seniors, or others who are having difficulty caring for themselves, are needed so please reach out to them if you need more particular assistance at (973) 635-4565. Borough Administration and the Police Department will assist the Senior Center in delivering additional services any residents in need have. By working together, we are confident we will weather this pandemic safely and without panic.

Lastly, please make certain you review the Borough’s website (www.chathamborough.org) frequently for updated information related to the Coronavirus outbreak and also signup, or update your information, for AlertChathamBorough – our emergency alert system. Once on the Borough’s website, click the red link for “Signup for Alert Chatham Borough” to signup or update your information.

Prescriptions / Over-the-Counter Medications:

Delivery services for prescriptions and over-the-counter medications in the Chatham Borough area can be obtained through the CVS Store, located at 471 Main Street in Chatham Borough or Liberty Drug store, located at 195 Main Street in Chatham Borough.

Groceries:

In the Chatham Borough area, grocery delivery services are available at the Chatham Shoprite store, located at 641 Shunpike Road in Chatham Township and the Stop & Shop Peapod store, located at 133 Main Street in Madison (delivery through Instacart).

For more information on these services please call or visit the websites listed below.
