Neighbors by Ring

The Chatham Borough Police Department is pleased to announce that we joined Neighbors, the app created by Ring. Neighbors was created to improve safety within the community by connecting residents with their neighbors through an app. The Neighbor App allows you, the user, to share photos, videos and information related to local crime and safety concerns.

The Chatham Borough Police will have the ability to the view any publicly posted entries and can offer relevant updates or safety alerts to help residents stay informed. You do not need a Ring device to join Neighbors. Anyone with a smartphone can download the Neighbors App.

Feel free to spread the word and make sure to always report criminal activity or emergency situations directly to the Chatham Borough Police Department by contacting (973) 635-8000.
