

FAITH & BLUE

The Chatham Borough Police Department is pleased to announce that we have partnered with Faith and Blue and local faith based organizations in an effort to build relationships with the community and to break down biases.

What is Faith and Blue?

Faith & Blue was launched to facilitate safer, stronger, more just and unified communities by directly enabling local partnerships among law enforcement professionals, residents, businesses and community groups through the connections of local faith-based organizations. The initiative aims to re-calibrate police-community relations through solutions-focused, in-person, socially distanced and/or virtual activities that are organized jointly by faith-based or other community groups and law enforcement agencies.
