

What do you think about improving Garden Park?

The Borough of Chatham is seeking feedback from residents related to potential improvements at Garden Park. Garden Park is located adjacent to Chatham Middle School and is accessible from the Middle School parking lot or the footpath from Garden Avenue. The recreational amenities available at Garden Park have not been updated in over 25 years and are in need of refurbishment and/or replacement. We are asking residents to take this short Garden Park Survey which will provide information necessary for the Borough Recreation Advisory Committee to analyze priorities and possibilities for Garden Park. **Take the [Garden Park Survey!](#)**
