

Chatham Borough
Department of public Works
2009 Yearly Report

Mission Statement:

This Division's primary responsibilities include preventive maintenance, scheduling, service and repair of vehicles and equipment used by the Police, Fire, Construction and Public Works departments in the most effective and cost efficient manner possible. Secondary responsibilities include making repairs to both water plant equipment, well houses and sewer lift stations. Participate in ice and snow control and leaf maintenance as required.

Police Department:

The Police department purchased one (1) new sport utility vehicle to replace an ageing unit.

1- ESU truck

Public Works Department:

The Road Division purchased 1 new pick-up truck to replace an ageing unit with snow plow for plowing borough parking lots. The division also purchased a new brush chipper to replace an ageing unit used for chipping tree limbs and brush. The division purchased a snow blower attachment for the Toro Polar Trac for clearing sidewalks. The Fleet Division purchased a used oil furnace for one of the garages at DPW complex, it burns used waste oil saving the cost of disposing of it. The division also purchased a spreader storage rack for mounting, dismounting and storage of a material spreader. The Fleet division purchased an air compressor to replace an ageing unit. The Fleet division also purchased a new battery and charging system tested to replace an out dated unit.
