The year 2010 was certainly another year for major project completion and organizational change. In December, the Chatham Borough Council approved an agreement with Madison, Chatham Township and Harding Township to establish a joint municipal court that will facilitate improved efficiency and save taxpayer dollars. During the month of July, the Borough Council approved a shared services agreement with the Borough of Madison to provide construction, electrical and plumbing inspections for the Borough of Chatham. In August, the Borough Council approved a shared services agreement with the County of Morris to provide emergency dispatch services for fire, police and the emergency squad.

Chatham Borough and Chatham Township agreed to appoint a Joint Recreation Director and Deputy Director to supervise the Joint Recreation Program. Brian McNany was selected to serve as the Director and Carol Nauta was selected to serve as the Deputy Director.

The Wilson/Roosevelt sewer lining project was completed in November. The Borough received a low interest Infrastructure Trust loan.

The Community Garden was completed and our resident farmers raised their crops with great enthusiasm. Plans are underway to expand the garden for the 2011 planting season.

The Borough continues to provide annual workplace harassment training sessions for all paid employees, professionals and volunteers. The employees of the Borough of Chatham continually strive for excellence which translates to efficient and effective delivery of services to the public.

The leaf collection program was very successful. In 2009, the Borough removed bag pick-up from the leaf collection program. Through a capital purchase, Chatham Borough purchased one new leaf collection system.

Chief Drake retired in April. The Borough Council promoted Lieutenant Phillip Crosson to the rank of Chief and Sergeant Brian Gibbons was promoted to the rank of Lieutenant.

The Chatham Borough Tax Assessor, Mr. Pat Aceto, retired on May 1, 2010. The Borough conducted a search to replace Mr. Aceto. After interviewing qualified candidates, Ms. Therese DePierro was selected.

For the third year in a row, State aid was reduced. The 2010 State aid reduction for Chatham Borough is $176,853. The department heads worked cooperatively with the Mayor and Borough Council to reduce expenses while maintaining the level of services that are
necessary to maintain the high quality of life that the residents of Chatham Borough appreciate.

The solid waste contract was awarded in February 2011. The cost reduction over five years for the new contract is $456,000 less than the previous five year solid waste contract. The recycling contract was awarded in November. On January 1, 2011, Chatham Borough implemented single stream recycling. The new program encourages increased recycling. Also, the Borough increased recycling collections from every other week to one collection every week.

In November, the Borough received bronze level certification for Sustainable Jersey. Janice Piccolo and Cindy Steffens are to be commended for the time and effort that they put into the project. Chatham Borough is one of sixty-seven New Jersey municipalities to receive bronze level certification.

The year 2011 will be very challenging. Given the current economic climate, the 2011 municipal budget will have to be reviewed line item by line item. The Finance Committee initiated the budget review process in October 2010.

Chatham Borough will continue to be recognized for excellence. The 2011 goals will continue to improve infrastructure, efficient delivery of services, quality employee service and responsive government.
