ADMINISTRATOR’S REPORT FOR THE YEAR 2013

The year 2013 was a very positive year with many accomplishments. The year 2013 began with the preparation of the 2013 budget. The municipal tax rate increase for 2013 was 1.41%. The new IT shared services agreement with Madison reduced service interruptions which improved efficiency. The joint construction department and the court have all operated without any disruption of service.

The new sidewalk ordinance was adopted. The new ordinance combined four different ordinances that governed sidewalks. The time limit parking on Main Street was increased from sixty minutes to ninety minutes. The community garden was relocated to the Woodland Park property. The Planning Board checklist and Administrative forms ordinance was adopted. The mutual aid and hazmat cost recovery ordinance was also approved. The Affordable Housing ordinance was approved and the Recreation Field fee ordinance was amended.

The administrative staff has been reduced from sixty-six fulltime employees in 2008 to forty-nine employees in 2013. Two fulltime positions have been reduced to part time positions. Although the staff has been reduced, the services provided to the residents have not been reduced or eliminated. The quality and types of services provided has not changed. Utilization of new technologies and the dedication of the staff is the reason that the types and quality of the services provided has not changed. The employees of the Borough of Chatham continually strive for excellence which translates to efficient and effective delivery of services to the public. The department heads worked cooperatively with the Mayor and Borough Council to reduce expenses while maintaining the level of services that are necessary to continue the high quality of life that the residents of Chatham Borough appreciate.

The goals established for 2014 are very well thought out and build on the improvements that we accomplished in 2013. Chatham Borough will continue to be recognized for excellence. The 2014 goals will continue to improve infrastructure, efficient delivery of services, quality employee service and responsive transparent government.

Robert J. Falzarano

- The Environmental Commission will work with surrounding towns, such as Summit and New Providence, in identifying new trail sites.
- Before June 1, 2013, identify specific trails:
  - Passaic loop with Summit.
  - River Road Trail.
  - Investigate improvements to:
    1. Jackson/Milton path.
    2. Lafayette/Washington path.
    3. South Passaic/Fuller path.
    4. Weston path.
    5. Duchamp/Center path.
    6. Hedges/Roosevelt path.

**Accomplishment:** On June 3, 2013, the interns began the mapping process. On June 20, 2013, the first draft of the Summit trail loop was sent to Mayor Harris. In
September, the cost estimates were submitted by the Chatham Borough and Summit engineers. The following paths were paved: Hedges to Cornell, Hedges to Wilson and Coleman to Milton.

17. **Goal:** Continue to transition Chatham Joint Recreation sports to a club model.

**Objectives:**
- The Recreation Liaisons, Joint Recreation Committee and the Recreation Director will identify the sports that will transition to the club model and develop a timeline for each sport that is identified to transition from the current program to a club model.
- The transition will be completed before December 31, 2013.

**Accomplishment:** On June 10, 2013, the Borough Council authorized football and cheerleading to transfer from recreation to clubs.

18. **Goal:** Remove excess lighting on Main Street.

**Objectives:**
- Request lighting level standard from the New Jersey Department of Transportation.
- Conduct lighting level readings of the existing lighting and compare to the Department of Transportation’s Standards.
- Work with Jersey Central Power and Light to remove excess lighting before October 1, 2013.

**Accomplishment:** On March 11, 2013, the Borough Council approved the contract for Maser Engineering to survey the area and submit recommendations. On May 23, 2013, the overhead lights between Fairmount and Hillside were surveyed by Maser Engineering. The survey did not identify any lights that could be removed.
19. **Goal:** Renovate the Council Chambers to include alternate Emergency Management Operations.

**Objectives:**

- Before February 1, 2013, identify electronic boards and pricing.
- Before February 1, 2013, identify phone locations and obtain price quotes.
- Before March 1, 2013, prepare renovation and equipment purchase plan. Discuss the costs with the Finance Committee before March 15, 2013.
- Develop an implementation plan and set timelines for completion.
- Before June 1, 2013, relocate the Emergency Operating Center from room 216 to the Borough Council Chambers.
- Before March 1, 2013, the Emergency Management Coordinator will update the Emergency Operations plan and resident preparedness plan as outlined in the November 16, 2012 debriefing action plan.

**Accomplishment:** The Borough Council approved $60,000 in the 2013 capital budget for the purchase of equipment for the Emergency Operating Center. The equipment was installed in August at a cost of $21,000. The phone lines for each department were installed.

20. **Goal:** Evaluate new monthly reports.

**Objectives:**

- Before March 1, 2013, receive feedback from the Mayor and Borough Council.
- Before April 1, 2013, discuss the feedback from the Mayor and Borough Council with the department heads.
- Before May 1, 2013, submit revised monthly reports.
- Before July 1, 2013, request feedback from the Mayor and Borough Council.

**Accomplishment:** The department reports were standardized with a cover page that details the statistical comparative information and backup information about
department operations. Before the 15th of each month, the reports are all submitted to the Clerk. The Clerk has a check off list to ensure that all reports have been submitted. The Clerk sends a complete set of monthly reports to the Mayor and Borough Council before the second monthly Borough Council meeting. The Mayor and Borough Council members were provided with notebooks to file each set of monthly reports.

21. **Goal:** Work with Madison and the Joint Meeting to develop a long range capital infrastructure plan.

- Review the project list with the Finance Committee, Madison and the Joint Meeting.
- Schedule a discussion with the Borough Council.

**Accomplishment:** Meetings were held with Chris Manak, the Administrators, Engineers and Chief Financial Officers. The Edmunds System was installed in May. The five year capital plan was presented and reviewed by the engineers. The plan was revised and submitted to the Joint Meeting.

22. **Goal:** Continue the evaluation of the industrial zones.

**Objectives:**
- Before February 1, 2013, prepare a written report that identifies encroachments and the corrective actions initiated.
- Before April 1, 2013, develop recommendations and submit the recommendations to the Borough Council.
- Schedule a discussion with the Borough Council in May 2013.

**Accomplishment:** The River Road area was surveyed. The encroachments identified were brought to the attention of each property owner. The Planner, Engineer and
Council Member Fife inspected the area, and discussions with the Planning Board are underway. On July 17, 2013, the business owners were invited to attend an open house information fair about the rezoning. On November 13, 2013, the Planning Board approved an amendment to the Master Plan.

23. **Goal:** *Work towards increasing Chatham Borough’s overall residential recycling percentages.*

**Objectives:**

- Before March 1, 2013, follow up from last year with Morris County’s Solid Waste Division to see if any revisions have been made in recording and reporting of solid waste tonnage in the area of differentiating between bulk TYPE 13 and TYPE 10 solid waste.
- In September 2013, hold an “America Recycles Day Event” during the Farmers’ Market in November and be available to answer residents’ questions regarding the Borough’s Recycling Program. In addition, send invitations to businesses and multifamily property owners by mail prior to event to get them more involved with recycling. If possible, purchase items for event from Clean Communities Grant to hand out.

**Accomplishment:** “America Recycles Day” was held in November at the Farmers’ Market. The tonnage reports will not be available until next year. The most current report indicates that recycling tonnage increased from 54.7% in 2010 to 62.6% in 2011.

24. **Goal:** *Increase the recycling tonnage reported by private contractors serving the Borough’s commercial sector.*

**Objectives:**

- Establish a working address list file of all businesses and multifamily dwellings that are not presently using the Borough’s Recycling Contractor.
Draft a letter and mail by January 15, 2013, requiring them to submit the name of their present recycling hauler and a copy of their 2012 recycling tonnage report to the Borough of Chatham by February 15, 2013.

- Track and follow up with assistance, to businesses and multi-family units for non-compliance.
- Expand the amount of materials that can be recycled: rigid bulky plastics, carpeting, egg cartons and wire hangers.

**Accomplishment:** Stan Serbanica and Janice Piccolo implemented a plan to capture the commercial recycling tonnage. The new program increased recycling tonnage from 6,714 tons to 12,097 tons.

25. **Goal:** Implement the Communications Technology Committee’s Recommendations with respect to Borough IT.

**Objectives:**

- Before January 15, 2013, approve NJIT to review the draft plan to move e-mail services to the Cloud and assist with the selection of a part-time IT person.

  - Before February 15, 2013, discuss the part-time IT selection with the Borough Council.

  - Before March 1, 2013, the Borough Council will approve the selection of the IT person.

- Initiate the transition of the e-mail system to the Cloud by April 1, 2013 and train all Borough personnel.

- Complete the transition to the Cloud and have all systems operational before May 1, 2013.

**Accomplishment:** The contract with NJIT was approved on January 28, 2013. The final report was submitted on April 1, 2013. The Borough Council approved the shared services IT agreement with Madison on May 13, 2013.
The e-mail function was transferred to the Cloud on July 5, 2013. The Borough e-mail service transitioned to the Cloud on July 8, 2013.

26. **Goal:** Advertise and award the recycling contract.

**Objectives:**

- Before March 15, 2013, distribute the recycling contract to the Mayor and Borough Council for review and comments.
- Review contract comments with the Mayor & Borough Council before May 15, 2013.
- Submit the draft contract to the Mayor and Borough Council before June 1, 2013.
- Before July 1, 2013, meet with the Borough Attorney to review the contract and bid documents.
- Advertise for bids during the month of July.
- Award the bid before October 2013.

**Accomplishment:** The Mayor and Borough Council discussed the contract on April 22nd and May 13th. The bid for the contract was advertised in August. The bid opening was held on October 22, 2013. The three year contract with two additional years was awarded to the Morris County Utility Authority on November 25, 2013.

27. **Goal:** Develop, distribute to the staff and complete the Emergency Management post Hurricane Sandy action plan.

**Objectives:**

- Develop an action plan by January 4, 2013.
- Distribute the action plan to the Mayor, staff and governing body before January 15, 2013.
- Require weekly progress submissions to the Borough Administrator.
- Complete all the action items including the revisions to the Emergency Management Plan before June 1, 2013.
Accomplishment: The action plan was distributed to the staff in January. The plan was updated weekly. The plan was completed on August 15, 2013.

28. Goal: Circulate the annual Police Department Internal Affairs summary report.

Objectives:

* The annual internal affairs summary report that is prepared in January will be distributed to the Mayor, Borough Council and Appropriate Authority before February 1, 2013.
* The annual internal affairs summary report that is prepared in January will be distributed to the press before February 1, 2013.
* The annual internal affairs summary report that is prepared in January will be posted in the Police Department section of the Borough’s web page, the Police Department lobby and the main floor bulletin board of Borough Hall before February 1, 2013.

Accomplishment: The annual internal affairs summary report was sent to the Mayor and Borough Council in January and posted on the web page. The information for filing an internal affairs complaint was centralized in the Police lobby and a conspicuous sign that directs the public to the information is posted.

29. Goal: Continue to develop the Borough web site.

Objectives:

* The Communications Technology Advisory Committee will continue to develop and propose recommendations to further improve the web site.
* Discuss improvements with the Borough Council.
* Implement improvements.

Accomplishment: The emergency notification box for AlertChathamBorough messages was added. The frequently asked questions will be updated for 2014.
30. **Goal:** Continue to develop the long range capital infrastructure plan.

**Objectives:**
- Identify and prepare a list of projects that were completed from 2002 – 2012.
- Identify and develop a ten year infrastructure project list.
- Review the project list with the Finance Committee.
- Schedule a discussion with the Borough Council.

**Accomplishment:** The Finance Committee included the capital plan with the ten year strategic financial management plan. The plan was presented to the Mayor & Borough Council on January 27, 2014.

31. **Goal:** Initiate the process for the implementation of the recommendations listed in the report that was prepared by the Long Range Traffic and Pedestrian Safety Planning Committee.

**Objectives:**
- Before April 1, 2013, initiate and distribute the police monthly safety reminders via the Borough web page, community bulletin board, local media, and schools for distribution to the students and parents.
- Before April 1, 2013, the Police Department will develop an annual program schedule about bicycle safety; participate in the back to school night program and the other school safety programs.
- Before December 31, 2013, the Police Department will develop and deliver educational programs for school age and adult drivers that address the dangers of texting and cell phone use while driving a motor vehicle.
- Before June 2013, the Long Range Traffic and Pedestrian Safety Planning Committee will submit recommendations to the Mayor and Borough Council for one new sidewalk ordinance.
- The Borough Engineer will work with the NJ Department of Transportation to install the new pedestrian crossing signal at Main Street and Coleman
Avenue. After the current pedestrian crossing warning device is removed from Main Street and Coleman Avenue, it will be installed at the railroad underpass on Fairmount Avenue.

- Before June 1, 2013, the Long Range Traffic and Pedestrian Safety Planning Committee will submit an ordinance change to the Mayor and Borough Council to amend the parking time limit on Main Street from sixty minutes to ninety minute parking.

- Before September 1, 2013, the Long Range Traffic and Pedestrian Safety Planning Committee will develop a plan to increase the use of the Bowers Lane parking lot.

- Before June 1, 2013, the Long Range Traffic and Pedestrian Safety Planning Committee will submit recommendations to the Mayor and Borough Council to remove the unnecessary overhead lighting on Main Street (between Fairmount and Hillside).

- Continue to install solar powered pedestrian crossing signals

- The Borough Council should consider adopting a resolution asking the State Legislature to increase the penalty for operation of a motor vehicle while the driver is texting or using a cell phone.

- Before June 1, 2013, the Police Department will expand the frequency of police officer assignments to walking the downtown Main Street business area. This will not only provide for a more visible deterrence, but it will increase enforcement of pedestrian, parking and motor vehicle violations.

- The Police Department should continue to develop and implement the Police Sergeant Zone Officer Assignment Plan before June 1, 2013.

- The Engineer and Traffic Safety Officer should work with representatives from Chatham Township to coordinate the preferred routes to schools plan and implement the recommendations identified that are listed in the plan.

- The Mayor and Borough Council should encourage the Chatham Township Committee to establish an advisory committee that will work jointly with this Committee to develop plans for sharing the cost for crossing guards that are necessary at the locations that are traversed by Chatham Borough and Chatham Township school children.
**Accomplishment:** The Police safety bulletin program was implemented in April. The revised sidewalk ordinances were presented to the Mayor and Borough Council on May 28th. The ordinances were adopted on June 24th. The Main Street and Coleman pedestrian crossing signal was installed in October. The pedestrian crossing signal on Fairmount will be scheduled for installation in 2014. The Police Sergeant Zone Assignment Program was implemented during the month of April. The Main Street ninety minute time limit parking ordinance was approved by the Borough Council on June 10th. The plan to eliminate overhead lighting between Fairmount and Hillside was submitted to the Mayor and Borough Council in May. The analysis does not support the removal of any existing lighting fixtures. In April, the Chief of Police implemented a written policy and procedures for the regular assignment of a foot patrol officer on Main Street. The program began after the new police officer hires were released from training for full duty. Officer assignments to Main Street started in November. Mayor Harris, Council Member Collander and Mr. Falzarano met with Mayor Hagner and Mr. Ciccarone to discuss sharing the cost for crossing guards. The financial information was submitted to Mr. Ciccarone on May 21st. The decision of the Chatham Township Committee was that the cost for the Borough’s crossing guards is the responsibility of the Borough.
