

Announcement No. 8.a.

It is with a truly heavy heart that we must report the sad news that Chatham Borough has suffered its first death associated with the Covid-19 pandemic. This fellow resident was hospitalized nearly two weeks ago with acute symptoms associated with the Coronavirus/Covid-19.

Chatham Borough Mayor Thaddeus Kobylarz and the Borough Council extend their deepest, heartfelt sympathy and condolences to the family during this very sad time. May God rest this soul as we stand in solidarity and prayer in mourning this painful loss.

Chatham Borough

Total Number of Positive Cases: 39

Age Range of Positive Cases: 5-91

Mean (Average) Age of Positive Cases: 46

Median Age of Positive Cases: 48

Total Deaths: 1

As a reminder, residents should be staying home during the Governor's Order. We should all (including children) be continuing our own social distancing and other guidelines to minimize community spread. We will continue to share information on this and other cases when appropriate.
