

## **Announcement No. 54**

Chatham Borough Health Officer reported that sixteen (16) residents have tested positive (April 9, 2021 – April 15, 2021 ) for the COVID-19 virus for a total of 264\* positive cases year-to-date and a total of 509\* positive cases from the start of the pandemic. This week's cases include residents whose ages range from 13 to 85 years of age. 1 resident whose age is not available, 0 residents 11 years of age or under, 5 residents is 12 to 20 years of age and 10 residents are 21 years or above in age.

We are encouraging parents, teens, children, and business owners to continue their responsible approach to slowing the spread of Covid-19 by:

- Following social distance guidelines (indoors and outdoors) of at least 6 feet
- Wearing masks whenever you are around other people. (Including children over two years of age)
- Washing hands often
- Disinfecting frequently touched surfaces
- Staying home if you do not feel well
- Keeping the elderly and those with pre-existing conditions distanced

**Please continue to do your part for the sake of your family, friends, and your community!**

We will continue to share information on this and other cases when appropriate. For more information on COVID-19, please visit [www.chathamborough.org](http://www.chathamborough.org), [CDC](https://www.cdc.gov) or [covid19.nj.gov](https://www.covid19.nj.gov) .

Released: April 15, 2021
