

## **Announcement No. 57**

Chatham Borough Health Officer reported that three (3) residents have tested positive (May 1 – May 6) for the COVID-19 virus for a total of 294\* positive cases year-to-date and a total of 539\* positive cases from the start of the pandemic. This week's cases include residents whose ages range from 17 to 48 years of age. 0 residents whose age is not available, 0 residents 11 years of age or under, 2 residents are 12 to 20 years of age and 1 resident is 21 years or above in age.

We are encouraging parents, teens, children, and business owners to continue their responsible approach to slowing the spread of Covid-19 by:

- Following social distance guidelines (indoors and outdoors) of at least 6 feet
- Wearing masks whenever you are around other people and cannot maintain social distancing. (Including children over two years of age)
- Washing hands often
- Disinfecting frequently touched surfaces
- Staying home if you do not feel well
- Keeping the elderly and those with pre-existing conditions distanced

**Please continue to do your part for the sake of your family, friends, and your community!**

We will continue to share information on this and other cases when appropriate. For more information on COVID-19, please visit [www.chathamborough.org](http://www.chathamborough.org), [CDC](https://www.cdc.gov) or [covid19.nj.gov](https://www.covid19.nj.gov) .

Released: May 7, 2021
