

## **Announcement No. 24**

Chatham Borough Health Officer reported that three (3) residents have tested positive (August 1- August 27) for the COVID-19 virus for a total of sixty-nine (69) positive cases. Two cases under the age of twenty-five and one case over the age of 25.

As a reminder, residents should be, (including children) continuing our own social distancing and other guidelines to minimize community spread. We will continue to share information on this and other cases when appropriate.
