WASTEWATER OPERATOR: The Madison-Chatham Joint Meeting, an Equal Opportunity Employer, is seeking an Entry Level Licensed Operator for its Wastewater Treatment Facility. The applicant must also have the ability to obtain an S-1 License within 12 months of hire. The applicant shall operate various equipment and instruments used in the sampling, analysis, and processing of wastewater and biosolids. The applicant must also be prepared to respond to the facility for after hour emergencies within 30 minutes and possess a valid NJ driver’s license. Send resume with salary requirements to Chris Manak, Superintendent, P.O. Box 341, Chatham, NJ 07928-0341, fax to (973) 635-0017, or email to cmanak@mcjm.org.
