

CHATHAM BOROUGH MASTER PLAN UPDATE

COMMUNITY OPEN HOUSE

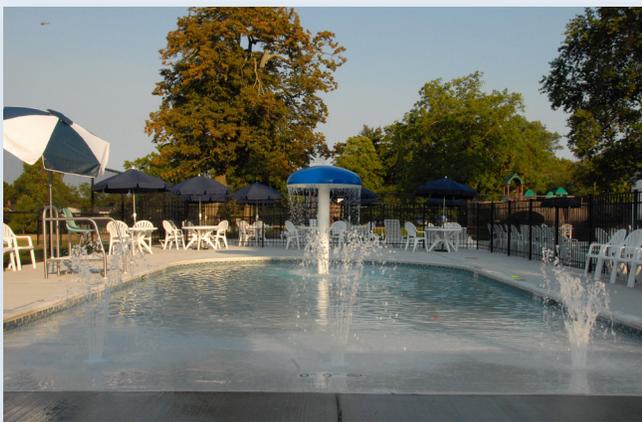

**THURSDAY, FEBRUARY 18
7 PM - 9 PM**

Library of the Chathams
(Lower Level)
214 Main Street

Please join us to share your vision for Chatham Borough for the next 10 years. What do you want to see change? What do you want to preserve? The open house will provide an opportunity for you to share your ideas and brainstorm about the Borough's future. Your input is vital to the outcome of this project.

The master plan is a community-wide policy guide adopted by the Planning Board. The master plan is not itself a law or regulation, but provides the basis for zoning and public improvements.

We look forward to seeing you!
