

Household Hazardous Waste and Electronic Collection Days Scheduled for September 10 and October 1

The Morris County Municipal Utilities Authority has scheduled two upcoming **free** Household Hazardous Waste Disposal and Computer/T.V. Drop-Off events to help Morris County residents properly discard unwanted hazardous household products and recycle electronic equipment that has accumulated in their homes. Events will be held rain or shine.

Scheduled Dates and Locations

Saturday, September 10: 9:00 a.m. to 2:00 p.m.

Morris County Public Safety Training Academy
500 West Hanover Avenue, Parsippany

Saturday, October 1: 9:00 a.m. to 2:00 p.m.

Chatham High School,
255 Lafayette Avenue, Chatham, NJ 07928

Accepted Hazardous Materials

The list of acceptable hazardous materials include pesticides, herbicides, fertilizers, oil-based paints, stains, paint thinners and removers, solvents, automotive fluids, lead acid and rechargeable batteries, pool chemicals, and darkroom chemicals.

Also accepted are aerosol cans (not empty), propane and helium cylinders, small quantities of asbestos (wetted, double bagged and sealed with duct tape-100 pound limit), driveway sealant, roofing tar, fluorescent bulbs, PCB-ballasts, mercury thermometers and switches, household cleaning products, muriatic acid.

Unacceptable Materials

The list of unacceptable hazardous materials include tires, construction materials such as wood, treated lumber, asphalt or concrete, smoke detectors, appliances such as pharmaceuticals, syringes and needles.

Appliances, such as microwave ovens, washers, dryers, humidifiers, and freon-containing appliances such as refrigerators, freezers and air conditioners are also not acceptable .
