

# NJ Register Ready

“Register Ready – New Jersey’s Special Needs Registry for Disasters” allows New Jersey residents with disabilities or access and functional needs and their families, friends, caregivers and associates an opportunity to provide information to emergency response agencies so emergency responders can better plan to serve them in a disaster or other emergency.

## Are You Register Ready?

The New Jersey Office of Emergency Management offers a free, confidential registry designed to help emergency responders locate and safely evacuate those with special needs in the event of a major disaster. If you, or someone you know, finds it difficult to get to safety during an emergency because of a physical or cognitive limitation, language barrier or lack of transportation, visit [www.registerready.nj.gov](http://www.registerready.nj.gov) and register today!
