

MORRIS & ESSEX LINES (M&E)

Schedules were adjusted on some M&E trains to minimize service impacts on customers to the greatest extent possible. Highlights are listed below; however, we strongly encourage you to review the new M&E schedule to determine if any changes affect your regular trip.

Two trains have been temporarily discontinued and some trains will have station stop changes. These trains are listed along with some travel options to help you plan your trip.

To view, download and/or print the new Morris & Essex Line schedule, [click here](#).

INBOUND SERVICE (change in origin stations)

- Train 608, the 5:45 a.m. departure from Dover to Hoboken, will now originate in Summit (service has been eliminated from Dover to Chatham)
 - Earlier train departs Dover at 5:33 a.m. (requires transfer at Newark Broad Street Station for service to Hoboken)
 - Later train departs Dover at 5:54 a.m. (requires transfer at Newark Broad Street Station for service to Hoboken)
- Train 626, the 8:28 a.m. departure from Dover to Hoboken, will now originate in Morristown (service has been eliminated from Dover to Morris Plains)
 - Earlier train departs Dover at 8:08 a.m. (requires transfer at Summit for service to Hoboken)
 - Later train departs Dover at 9:06 a.m. (requires transfer at Newark Broad Street Station for service to Hoboken)

OUTBOUND SERVICE (temporarily discontinued)

- Train 609, the 6:42 a.m. departure from Hoboken to Dover
 - Earlier train departs Hoboken at 6:15 a.m.
 - Later train departs Hoboken at 6:55 a.m. (requires transfer at Summit for service to Dover)
- Train 645, the 5:08 p.m. departure from Hoboken to Dover
 - Earlier train departs Hoboken at 4:42 p.m.
 - Later train departs Hoboken at 5:12 p.m. (requires transfer at Newark Broad Street Station for service to Dover)

Be sure to check the new schedule for other adjustments, especially if you connect with other services.
