Behavioral Health Services Central Evaluation and Referral Services Helpline

Our Central Evaluation and Referral Services representatives connect individuals and families with the behavioral health services they need, whether inpatient or outpatient. Our team provides rapid customer service, often with the option of same day appointments for level of care assessments in our Boonton campus.

For information about our programs and services or an appointment at any of our Behavioral Health centers, call 888-626-2111 Monday–Friday from 8:00 a.m.–6:30 p.m.

At Saint Clare’s Behavioral Health centers, our dedicated team of physicians, psychiatrists, licensed professional counselors, social workers, nurses, and therapists work collaboratively to develop individualized treatment and long-term recovery plans with each person and family.

Emergency Care

The Psychiatric Screening Center at Saint Clare’s Denville Hospital is open **24 hours a day**, seven days a week, and designed to provide screening and crisis stabilization for residents in Morris, Sussex, and Warren counties.

Individuals will be assessed by a psychiatrist and receive safe, confidential, and compassionate treatment in addition to a comprehensive discharge plan.
